## A few words from Mr Newman

A very Happy New Year to all students and families. I cannot believe we have already had 3 weeks of the Spring Term!

We have started the new term with a range of trips and curriculum enrichment opportunities for our students, ensuring that we can make our curriculum as broad and engaging as possible. Inside HT News you can read all about our Creative Arts opportunities as well as a report on the visit from a Royal Geographical Society ambassador. There is also information about our wide-ranging Spring Term co-curricular programme, with a feature on Haileybury's Combined Cadet Force which our students also benefit from. We want as many of our students as possible to participate in, and enjoy the clubs and activities put on by staff either at lunchtime or after school.

**Recognition of great Sixth Form provision at HT**
Sixth Form and College Performance tables were published yesterday showing performance across post-16 provision last summer.

We are delighted with what these tables show: they show both an improvement in performance for us compared to 2018; and importantly, an excellent performance compared to other Hertfordshire schools.

**Our Progress Score for A Level Performance is the highest progress score amongst local 16-18 state school provision and this ranks us 26th out of 128 Hertfordshire 16-18 providers and 16th for academies and maintained schools.** This is further evidence of the high quality of education we are able to provide in our sixth form, providing opportunities to progress to a wide range of destinations beyond Year 13. This year's university application round has just closed, and we have seen a large number of applications to very competitive universities across the country, with subjects applied for including accounting, engineering, drama, English, filmmaking, finance and psychology to name but a few. We wish all of our students great success in the pursuit of their dreams beyond our sixth form this summer.

**You said ... We did**
We regularly seek feedback about the quality of education at Haileybury Turnford. From our 2018-19 surveys, one area which we wanted to respond to was our 90% satisfaction rate to the question 'The school responds well to any concerns I raise'. To support with helping this process, we have recently published a guide to 'who to contact' for particular issues, and it can be seen inside this edition of HT News. Do let us know if this is helpful, to go alongside the other ways we have been trying to ensure we communicate with you as effectively as possible.

## Dates and Events

**SPRING TERM**
Monday 6th January to Friday 3rd April 2020
**Half-term**
Monday 17th February to Friday 21st February 2020

**SUMMER TERM**
Tuesday 14th April to Friday 17th July 2020
Tuesday 14th April – Year 11 and 13 students only
Wednesday 15th April – All students return
**Half-term**
Monday 25th May to Friday 29th May 2020

27th January - Holocaust Memorial Day
5th February - The Scholars Programme Graduation – Year 10
6th February - Year 7 Parents' Evening 4.00pm-7.00pm and New Building Information Event
10th February - Parents' Forum 5.30pm-6.30pm
11th February - Safer Internet Day
11th February - Positively Mad – Exam busters and Super Study Skills workshops for Year 10 and Year 11
11th February - Music Trip to Royal Festival Hall for London Philharmonic Orchestra Schools' Concert – various year groups
14th February - HT News published

17-21st February Half Term

27-28th February – School Production
2-6th March – National Careers Week
2nd March – Year 9 DTP HMenACWY Vaccinations
5th March Year 9,10,12 & 13 Theatre trip
5th March – Year 10 Parents' Evening 4.00pm-7.00pm
8th March – International Women's Day at Haileybury
9-13th March British Science Week
13th March - HT News published
16-17th - March CCF Field Day

## Humanutopia Hero

**Daniel Faiz** has been selected to be the school's Lead Humanutopia Hero. He was selected because he has shown real commitment to the programme and his application was extremely strong.

He wants to work on the following areas:

- Mentoring younger students and guiding them in making good decisions
- Ensuring the Humanutopia Heroes make a big impact on life at HT
- Providing a safe place for those who have been affected by bullying; this will include a 'drop in' surgery for younger students to talk to the Humanutopia Heroes.

## Curriculum Round-up

### Year 10 Magical Maths

A group of Year 10 students took part in a day of stimulating mathematical talks and activities on Monday 13th January, designed to help students see the usefulness and fun of maths beyond the curriculum. Activities on the day included Magical Maths, a Dragon Quiz and a fascinating lecture entitled “Where do numbers come from?” The students were a credit to the school and really engaged and participated in the activities over the day which has led to an increase of understanding of the usefulness of maths, stimulated mathematical thinking and provided information on the options for further study after GCSE.

### Year 11 Visit to The Nikon School in London

Some of our Year 11 students had a fantastic experience when they visited the Nikon School on Thursday 16th January for a Portrait Lighting Workshop which provided an excellent opportunity to bring alive some of their GCSE Photography work from lessons.

### Year 11 Visit to The Tate Modern Gallery

It was a very inspiring day for our Year 11 Art and Photography students at Tate Modern on Monday 13th January, providing inspiration for their creative work back at school.

### CCF (Combined Cadets Force) at Haileybury

We recently witnessed a historic moment at our partner school, Haileybury. A Haileybury student, Arianna became the first female army cadet promoted to the rank of warrant officer in the school's history *"It's a great honour to have such a high position in the CCF"* said Arianna.

HT cadets are members of Haileybury CCF. We visit Haileybury every Wednesday afternoon and take part in training sessions alongside Haileybury students. These sessions can focus on anything from, drill to weapons handling; from command tasks to fitness tests; from camouflage and concealment to CQB (close quarter battle) attack lanes. Sessions encourage leadership, team building and problem-solving skills, whilst also being engaging and fun.

## Royal Geography Society Geography Ambassador visits Year 8

Sophie, a RGS ambassador, led three workshops with some of our Year 8 students on careers linking to Geography on Wednesday 22nd January. This encouraged students to think about the topics and skills that they learn in their geography lessons and how these could lead them to some exciting career opportunities that they had never even heard of. This was also a great opportunity for our Year 8 students to ask questions about how to choose the right GCSE options, A-Levels and future destinations for them, when the time comes.

Below are comments from Year 8 students who participated in one of the workshops:

"I didn't realise geography was one of the most employable subjects."
"I have learnt that Michael Jordan has a geography degree as a back-up for his basketball."
"We have learnt that a lot of people who study geography do great things!"
"I have learnt that geography can take you anywhere and it has a lot of skills and covers a lot of other subjects."
"After this geography session I have learned about the opportunities that you get by picking it for GCSE."

## Spotlight on Staff – Mr Stuart

Mr Stuart has been working at Haileybury Turnford for three years and is currently our Personal Development Coordinator and Teacher of History. Our Head Boy & Girl, **James Evenden** and **Lauren Wollaston-Smith** took a few minutes out of his busy day to find out a little more about him.

| | |
|---|---|
| One thing you like about working at HT | The kind nature of our students |
| One thing you would chose | More time focused on the life of minions |
| One thing you do in your spare time | YouTube videos |
| One thing you have learned in life | You can always turn a negative into a positive over time |
| One thing you wish you'd known earlier | How to budget money |
| One thing you would save if your house were on fire | My family |
| One thing that defines a good teacher | Positive approach |
| One thing you would like to experience again | Being a student |
| One thing you could not live without | My heart |
| One thing that defines a good student | Engagement |
| One thing that you like to watch | Paw Patrol |
| One thing you are waiting for | To be the Secretary of Education |
| One thing that might surprise people to know about you | I trained to be a police officer |
| One thing you love about your job | Everyday is a new journey |
| One thing that makes you smile | Seeing others smile |

## Welcome to new staff

We had some new staff join HT at the beginning of the Spring Term. Welcome to Ms Jobson – Maths, Mr Morgan – Maths and Cover, Mrs Njenda – English, Mrs Penn – Food Technician and Mrs Watkins – Learning Support Assistant. We wish our new staff members a very warm welcome.

## A polite notice: Pick up and drop off times

We would respectively ask our parents/carers to give consideration for our community living near and around the school. We have had a few issues with driveways being blocked or obstructed by cars dropping off or picking up our students recently.

# Haileybury Turnford

AMBITION • PRIDE • SUCCESS

## We want to be a vibrant school, developing every aspect of our students.

We will make sure that each student has the opportunity to reach their potential, and can leave us with the qualifications, skills and qualities they need for a successful life.

We will draw on Haileybury's 150 years of outstanding achievement, and combine that with Turnford's strong sense of community, to create an exceptional school.

We believe that excellent teaching, academic success, the best pastoral care and enriching co-curricular opportunities are hallmarks of an excellent school, and will mean our students thrive, flourish and succeed.

## Excellent teaching and ambitious learning

- There will be excellent teaching for every student in the school, so they get outstanding exam results.
- Our teachers will give stimulating and challenging lessons, raising aspirations and inspiring our students to learn.

## Respectful and well-behaved students and excellent pastoral care

- We will expect our students to:
  - Do everything with pride and ambition
  - Behave well
  - Respect each other and all adults in the school
  - Take responsibility for their actions
- We will expect our parents and carers to support their children and the school.
- In return, we will work closely with them, so all our young people are able to reach their potential.
- We will support the students with the best pastoral care, so they are happy and feel safe at school.
- We want our students to develop the qualities they need to be good members of society when they leave school, contributing to the global, national and local communities they live in.

## Enriching co-curricular opportunities

- We will offer our students a diverse and vibrant co-curricular programme to encourage their personal development.
- We will give them opportunities in leadership and teamwork to develop their confidence, resourcefulness and resilience.

## Communication between school and home

We want to make communication between parents/carers and staff at Haileybury Turnford as efficient as possible to enable any potential issues to be sorted as quickly and effectively as possible. Please find below a table showing the normal lines of communication for dealing with issues that may arise at school. All staff email addresses can be found on the school's website at https://haileyburyturnford.com/contact-us/staff/
