

Sixth Form Exam Results – August 2017

Year 13 students at Haileybury Turnford are celebrating their exam results in this year's A level and vocational examinations today. This year sees the first results for the new reformed linear A Levels.

The majority of students have won places at their first choice of university, including Louise Bliss, Elliott Brady, Jessica Jarvis and Nisha Patel. Adam Merry has been accepted to a higher level apprenticeship at GSK in ICT.

The school has had excellent results in a wide range of A Level subjects including English Literature, Maths, Physics, Geography and Economics. There has also been real student success across the range of vocational subjects offered with many top grades achieved in Business, ICT, Health & Social Care and Art.

This year's highest achievers include Nisha Patel who has secured a place at UCL studying Geography following her impressive results in Maths, Geography and Economics. Jessica Jarvis has secured a place at Reading University studying Neuroscience following her excellent results in Chemistry, Biology and Psychology. Charlie Nicholls is going to be reading Physics at Southampton University following his wonderful results in Maths, Media and Physics.

Principal Robin Newman said: "We are immensely proud of each one of our students. They have worked incredibly hard across the two years of their sixth form studies and we wish them success and the best of luck for the future. I would like to add my gratitude to our committed teachers and the support from parents during our students' time at the school."

Brendon Walsh, Head of Sixth Form, added: "It was lovely to see the smile on students faces today when they opened their results envelopes and we wish them well on their journey to university or the world of work. We know they are all capable of great things because of the independence and perseverance they have learned over the last two years."

Haileybury Turnford, sponsored by Haileybury in Hertford Heath, has a comprehensive sixth form whose students benefit from the support from its sponsor. For students who are looking to apply to sixth form for September 2018, its Open Evening will be on 23rd November 2017. Haileybury Turnford welcome applications from students who wish to follow both academic and vocational pathways.
