

Haileybury Turnford Sixth Form Exam Results – August 2018

Year 13 students at Haileybury Turnford are celebrating their exam results in this year's A Level and vocational examinations today. After our recent Sixth Form Ofsted grading of "good" we are pleased to announce that our recent A Level grades showed that A*-B grade results have increased by 8% from 2017 and the average grade achieved at A Level has increased by half a grade. Our vocational results continued their stellar performances with outcomes and progress remaining high.

The majority of students have won places at their first choice of university including Laura Lewis who achieved A* A* A in Sociology, English Literature and Psychology and will now take her place at the University of Cambridge to read Human, Social and Political Sciences. Beth Forster achieved A* A A in Physical Education, Psychology and Maths and will attend the University of Exeter to read Sports and Exercise Science. Max Prockter will study Mechanical Engineering at Coventry University and Tamara Pollard will study English Literature at the University of Surrey.

Students have also accepted Advanced Level Apprenticeships in Media, Banking, Marketing and Human Resource Management. Sam Cross has successfully gained an apprenticeship with UBS Bank and begins with them in September after achieving A* B B in Sociology, Psychology and Business. Charlie Hawkes achieved two Distinctions in Business alongside a Merit in Drama and has taken an Insurance Broker position with Trade Wise Insurance.

The school has had excellent results in a wide range of A Level subjects including Maths, English Literature, Sociology, Psychology, Accounting and Business. There has also been real student success across the range of vocational subjects offered with many top grades achieved in Business, ICT, Health & Social Care and Drama.

Principal Robin Newman said: "We are delighted with the results achieved by our talented and hardworking students. With the great support from their committed teachers and support from parents our students have excelled. These results demonstrate that the school is providing high quality support for sixth form students across both A Level and vocational courses and they are able to move onto high quality universities and workplaces beyond Haileybury Turnford. We wish every student great success in the future."

Brendon Walsh, Head of Sixth Form, added: "Our partnership and expertise received from our sponsor school, Haileybury, has led to our first student to be accepted to the University of Cambridge. We will continue to benefit from this partnership further this year with a

significant investment into our early applicant group who are taking part in activities to prepare them for the most competitive universities. Our vocational results continue to be excellent with students making great progress and achieving places at university or in Advanced Level Apprenticeships. Our teaching staff continue to demonstrate excellent commitment to our students and their futures and we thank them for their efforts this year.”

Haileybury Turnford, sponsored by Haileybury in Hertford Heath, has a comprehensive sixth form whose students benefit from the support from its sponsor. For students who are looking to apply to Sixth Form for September 2019, our Open Evening will be on Thursday 22nd November 2018. Haileybury Turnford welcome applications from students who wish to follow both academic and vocational pathways. Students still interested in applying for September 2018 should make contact with the school directly as some places are still available.
