Thank You Festival at Haileybury Turnford

On Friday 13th July, Haileybury Turnford hosted their Creative & Performing Arts 'Thank You Festival' in support of the Royal British Legion. The cross-curricular festival celebrated work created over the last term that recognises the centenary of the end of the First World War. Students in Year 7, 8 and 9 along with their families enjoyed the event by engaging in several activities including a creative art and technology trail, a wish tree, singing and drama workshops and thank you video messaging. The audience was then treated to a number of excellent performances on the Main Stage created by our students. We were delighted to share this special event with our local councillors and Charles Walker Member of Parliament for Broxbourne. Lisa Megaw, our festival organiser added "that we are very proud of our students for taking pride in their work and for their commitment to the Royal British Legion charity. It was wonderful to see so many students engaging in the festival". Robin Newman, Principal is thrilled that "we will continue to celebrate working with our community and are looking ahead to contributing to the Old Pond commemorative poppy display in November."
