**British  
Science  
Week  
2019**

Once again our celebration of British Science Week was a huge success. Year 7 & 8 students had the opportunity to dissect fish, build rollercoasters and burn different metal powders to discover how they make up a firework.

In addition to assemblies and a whole school periodic table activity, students could make ice cream the scientific way and model DNA using sweets.

There are lots more on our twitter feed

We are already looking forward to  
Science Week 2020!

## Mr Newman is running the London Marathon for our school charity!

Mr Newman will be running the London Marathon on Sunday 28<sup>th</sup> April for our school charity, The National Brain Appeal.

There are 12.5million people – that's more than one in six – in the UK living with a neurological condition. The National Brain Appeal raises funds for The National Hospital for Neurology & Neurosurgery and the UCL Queen Square Institute of Neurology in London. It is the leading neurological centre in the country, and one of the world's leading centre for the diagnosis, treatment and care of patients with neurological and neuromuscular conditions. These include stroke, multiple sclerosis, brain cancer, epilepsy, Parkinson's disease, and dementia. They are passionate about supporting the hospital to help improve the lives of patients through treatment and research.

## Wear your Seatbelt

The Hertfordshire Road Safety Partnership and Active and Safer Travel Team are running a **campaign about the importance of wearing your seatbelt**.

Most people do wear their seatbelts but still nearly ten per cent choose not to – help them make the right decision for themselves and others. If you have friends or family, who still do not realise how important it is to belt up, have that conversation and make sure they know how much you value their safety, and everyone else's in the vehicle. Please make sure children are secured in the most appropriate car seat for their age and height. For more on seatbelts and car seats go to [www.hertfordshire.gov.uk/seatbelts](http://www.hertfordshire.gov.uk/seatbelts)

The Hertfordshire Road Safety Partnership is supporting the seatbelt campaign run by Roads Policing, raising awareness about the importance of wearing your seatbelt. You can receive a fine of up to £500 if you are caught not wearing your seatbelt

## Recipe of the Month – Hunter's Chicken

Our Food Technology Department are challenging our students to try a new recipe each month. This month it is **Hunter's Chicken**. Our GCSE students have been looking at teenage nutrition. This is one of the most popular dishes they chose. It is full of protein for their growth and repair and the fat soluble vitamins K,A,D and E.

### Ingredients

- 1 tablespoon vegetable oil, plus extra for the tray
- 4 skinless chicken breasts
- 4 rashers smoked back bacon
- 1 red onion, sliced
- 1 pack runner beans, ends trimmed
- 3 carrots, peeled and sliced
- 100ml sticky BBQ sauce
- 25g grated cheddar

For the mash:

- 4 potatoes, peeled and chopped
- 100ml milk

### Method

- Heat oven to 200C/180C fan/gas 6. Oil a tray, put the chicken breasts on it and cover each one with 1 bacon rasher. Put the chicken in the oven for 20-25 minutes until cooked through.
- While the chicken is cooking, fry the onion in 1 tablespoon oil until golden brown and soft, then set aside.
- Put the potatoes in a large pan of boiling water and cook for 10-15 minutes until soft.
- Put another smaller pan of water on the hob and bring to the boil while the potatoes are cooking.
- Once boiling, tip in the runner beans and carrots and cook for 8-10 minutes until soft but with a little bite.
- Drain the potatoes and put them back in the pan with the milk, mash until smooth and stir through the fried onions.
- Once the chicken is cooked, pour over the BBQ sauce and scatter over the cheddar and return to the oven for 2 minutes until the cheese has melted. Serve with the mash, carrots and runner beans.

Please do send us your pictures of your dish to [ledsterh@haileyburyturnford.com](mailto:ledsterh@haileyburyturnford.com). Enjoy cooking.
