5<sup>th</sup> September 2018

Dear Parent/Carer

A very warm welcome to the new school year and I hope you had a very pleasant summer, enjoying our hottest weather in many years!

I am proud of the improvements we have made to the quality of education at Haileybury Turnford in the past two years, and would like to thank you for your support in helping this to happen. As communicated before the summer holidays, we will be having a new building to replace our existing English and Humanities, and our small Science Blocks. This project is as a result of successfully gaining access to the Education & Skills Funding Agency (ESFA) Priority Schools Building Programme. I will continue to keep you informed as we go through this academic year. We expect to complete this project by September 2020.

A further exciting initiative this term will be with Twofour Broadcast Limited who will be working with us to produce a brand new factual series for Channel 4. The series will consist of four episodes, and each hour long episode will feature a different school following the daily life of a new volunteer member of the school support staff working with Year 11 students. This is an excellent opportunity for us, and will showcase how the deployment of support staff can result in positive outcomes for students. Further information will follow in the next few weeks.

We had very successful GCSE, A Level and vocational exam results in August. On A Level results day it was excellent to see our sixth formers achieving the results to enable them to move onto their chosen university choices, higher level apprenticeships or work. We also had our first ever student being accepted into the University of Cambridge. On GCSE results day we sustained last year's significant improvements in GCSE English and Maths results and now have our largest Year 12 cohort since Haileybury Turnford opened.

Please do regularly visit our website which will provide you with much information, including the school calendar. I would also encourage you to follow us on Twitter [https://twitter.com/Hailey\\_Turnford](https://twitter.com/Hailey_Turnford) where we will regularly tweet updates from HT. There will also be Welcome Letters from each Year Achievement Coordinator this week with a reminder about the upcoming Key to Success meetings. Key dates and the names of the Senior Leadership Team are also included in this mailing.

I am committed to ensuring that Haileybury Turnford continues to improve the education we can provide for every student, and that we use the feedback from our Ofsted inspection in May to do this. Our improvement priorities this year are focused very closely around continuing to improve the quality of our teaching to enable students of all abilities to be successful.

My email address is [newmanr@haileyburyturnford.com](mailto:newmanr@haileyburyturnford.com). Please do not hesitate to contact me at any time if you feel it is necessary to do so.

I hope your child has an enjoyable start to the school year.

Yours faithfully

**Robin Newman**  
Principal
