3rd September 2018

Dear Parents/Carers

Year 10 Geography field work – Tuesday 18th September

I am writing to inform you that a field trip has been organised for year 10 Geography students to Walton on the Naze on **Tuesday 18th September**.

What is the purpose of this field trip?

Fieldwork is a crucial element of the Geography GCSE specification and will be assessed in both the unit 1 and unit 2 examinations. Students will spend this day collecting a variety of primary data investigating the coastal management strategies at Walton on the Naze. This day will also allow students to see a variety of coastal processes in action which will be invaluable to their revision and understanding of the Distinctive Landscapes topic they have studied this year.

What will happen on the day?

- Students will leave school, by coach, at 8.45am and return at approximately 4.30pm. Students will be dropped off by the coach at the top of Mill Lane on their return.
- Students can attend this trip in non-uniform, as long as they are dressed appropriately to represent the school. Please be advised that whatever the weather students will be outdoors all day and therefore sun cream/waterproofs etc. may be required on the day.
- Students will be required to bring a pen and pencil, along with a packed lunch for the day. A small amount of money may be advisable for extra drinks but is not a necessity.

How much will this field trip cost?

The cost of this field trip is £14.50. This will need to be paid via parentpay (www.parentpay.com) by Friday 14th September. Any parent in financial difficulty should apply in writing to the principal. No student will be excluded for this reason, however if there are insufficient funds the trip may be cancelled.

Once you have read the details above, please complete the consent slip below and return to Mrs Morgan no later than Wednesday 12th September.

If you require any further details please do not hesitate to contact me at Haileybury Turnford on morgane@haileyburyturnford.com

Yours faithfully

Mrs E Morgan
Faculty Leader – Humanities
