

HaileyburyTurnford

Ambition · Pride · Success

10th September 2018

Dear Parent/Carers

As you are aware your child has chosen AQA Food Preparation and Nutrition as part of their GCSE options. As a department we endeavour to provide an interesting, current and engaging curriculum which includes creating, sampling and experimenting with food products that your child will get to take home.

As part of your child's Year 10 studies, they will have an opportunity to work on a number of mini GCSE projects this year to aid in preparation for their GCSE coursework in Year 11.

Our department budget is sufficient to cover the costs of the basic materials and consumables necessary to deliver the course but, in order to enhance the curriculum and provide more stimulating and relevant projects. We ask for £15.00 from each student for each examination course they follow within our subject area to cover the cost of the specialist materials and components they will be using.

Contributions can be paid via Parent Pay which can be accessed via our school website. Unfortunately, we cannot accept contributions in the form of cash or cheque. If you have trouble accessing the Parent Pay system, please contact Mrs K Jones via email (jonesk@haileyburyturnford.com)

Yours faithfully

Miss E Lines

Teacher of Design & Technology
