Ambition · Pride · Success

13th September 2018

Dear Parent/Carer

Re: Wednesday Science Intervention

As part of our commitment to helping your son/daughter achieve the very best results in Triple Science this year we have put into place a series of extra booster sessions across Biology, Chemistry and Physics.

The intervention will take place on Wednesday afternoons and continue throughout the year, where students will miss core PE only.

From now until October half term your son/ daughter will benefit from being taught in a smaller group with either Ms Matthew (Chemistry) Miss Newman (Biology) or Mr Williams for Physics.

After the October Half term break students will be travelling to Haileybury to benefit from their excellent facilities and equipment. These sessions will be jointly led by Haileybury and Haileybury Turnford teachers where students will return to school at 4pm. I will update you before the half term break as to further details of these sessions.

Saturday Science

I would also like to take this opportunity to make you aware of the Saturday Physics sessions that I will be running on the following dates this term.

The vast majority of students who attended these sessions last year received excellent results in our most recent summer examinations.

These sessions will run from 9am – 11am in SC4.

- Saturday 29th September 2018
- Saturday 16th November 2018

If you would like further information or have any questions, please contact the Director of Science at williams@haileyburyturnford.com

We do hope that these sessions enhance your child's experience of Science and result in excellent grades at GCSE.

Yours faithfully

Mr S Williams
Director of Science
