Headline Figures

This section contains basic data regarding performance at KS3 and predictions at KS4 in the subject.

Section 1: Year 11

Subject Performance By Cohort

This table shows subject performance with percentages based upon all students who are studying the subject (the cohort). This is determined by the presence of a target for each student in this subject.

Academic Year	Entries	Cohort	Retention	A*-A No	A* - A%	A*-C	A*-C %	A*-G	A*-G%	Average Points Score	Progress 8	% Included in P8 Score

Attainment Against Targets

This table displays headline figures for a variety of comparative result types. The difference row is between the exams and the targets. A positive difference indicates that the students exceeded their targets.

Result Type	No	A*-A No	A*-A %	A*-C No	A*-C %	A*-G No	A*-G %	APS

Subgroup Analysis

This section breaks the performance down into teaching groups and subgroups.

Teaching Groups

This table compares predictions to targets in terms of grade bands for each teaching group. A positive difference would indicate that the teaching group exceeded its targets.
