Safer Internet Day 2017

Haileybury Turnford is supporting Safer Internet Day 2017

Safer Internet Day 2017 will be celebrated globally on Tuesday 7th February with the theme 'Be the change: Unite for a better internet'.

Haileybury Turnford is joining the global Safer Internet Day campaign to promote the safe and responsible use of technology.

Coordinated in the UK by the UK Safer Internet Centre, Safer Internet Day will take place on Tuesday 7th February 2016 with the theme 'Be the change: Unite for a better internet'.

Celebrated in over 100 countries, Safer Internet Day will see Haileybury Turnford join hundreds of organisations right across the UK and globally to 'be the change' and help create a better internet.

To celebrate the day, we are holding assemblies with all Years' 7-11 delivering important messages about online safety for all. Form Tutors throughout this week will be focusing on safer internet use and prompting students to think about practical ways to ensure they can stay safe online.

Haileybury Turnford will be part of a nationwide day of action involving the #SID2017 social media campaign and youth events where young people will have the opportunity to have their say about the digital issues that affect them.

Will Gardner, Director of the UK Safer Internet Centre and CEO of Childnet, said:

"Safer Internet Day is an opportunity for everyone across the UK and globally to unite for a better internet. Whether you are a young person, parent, carer, school or organisation, we can all 'be the change' and take positive actions to make the internet a better place. Hundreds of schools and organisations have pledged their support for Safer Internet Day and it is this collaboration that helps ensure Safer Internet Day has such a positive impact, reaching 40% of UK children in 2016 and growing year on year."
