A few words from Mr Newman

It has been a very busy 3 weeks since half-term. Our Year 11 students returned to school following a very successful ski trip to Bormio in Italy over the half-term break. This was our first Haileybury Turnford ski trip and we plan to return to Italy in February 2019. My thanks to Mr Megaw for leading this trip, and also to Mr Lindquist, Mrs Megaw, Mr Duligall and Miss Kaposi. We have continued to have a range of other new trips and visits this half-term too including a wonderful trip to London last Friday for our Year 10 triple science students. This trip was heavily subsidised by Haileybury to ensure we could provide this opportunity for our students.

Another highlight this half-term has been our Year 7-11 Awards Evening. We were delighted to welcome Nick Blazquez as our guest to present certificates and prizes to students. The school hall was packed, and we are grateful for the huge support from families.

I am delighted that a number of our students and staff have been shortlisted for awards at tonight's Broxbourne Youth Awards at The Spotlight in Hoddesdon recognising their excellent commitment to Haileybury Turnford and their local community. We also have students performing a dance and drama showcase too whilst another group of students are performing tonight in Haileybury's Dance Show.

We have celebrated World Book Day, participated in activities for National Careers Week and National Apprenticeship Week and will also be running a number of events during British Science Week from Monday in addition to last Friday's trip to Science Live in London and Wednesday's visit from Paradise Wildlife Park.

Year 13 mock exams were this week, we have had a really busy and productive Year 11 Parents' Evening and Year 11 mock exams start on Monday - this really is the start of the final push towards the summer exams for our students. I wish every student great success and urge you to take the expert advice on offer from your teachers.

Welcome to our new Year 7 students and families

We are very much looking forward to welcoming our new Year 7 students and families to Haileybury Turnford in September. Year 6 students and their parents found out which secondary school they have been allocated on 1st March. I am delighted that we have again had an increase in the number of students who have made us their first choice secondary school which reflects the growing confidence our community has in us as we continue to make significant improvements to the education experience for our students.

Haileybury Turnford Awards Evening

There was standing room only when students, parents, staff, governors, and guests from the Broxbourne Council and Haileybury were treated to fantastic singing from a Year 9 student **Seval Basri** and a dance and drama routine from the Creative & Performing Arts Faculty during the Haileybury Turnford Year 7-11 Awards Evening on Wednesday 21st February.

The awards celebrated the successes of the most committed and successful students since September 2017 comprising of Subject Awards nominated by teachers and Achievement Awards nominated by Year Achievement Co-ordinators. The first Haileybury Turnford Outstanding Teacher Award was given to Mr Duncan for his tireless work in the Mathematics faculty. Each student received a certificate and voucher presented by Guest Speaker, Nick Blazquez, who, amongst many ventures, is a trustee of Mercy Corps, a leading international humanitarian organisation which is particularly focused in ensuring all have access to safe water in Africa.

Mr Newman, Principal and Mr Matcham, Haileybury Turnford's Chair of Governors, both praised the hard work and enthusiasm of students and staff, and thanked parents for their continued support of the school as it continues on its journey of improvement.

Reader of the Month – March

Reader of the month for March is Year 7 HT student **Leah Spink**. She is a keen reader and has made good progress with her reading level since starting the reading program in September 2017. Leah is a regular library user and is currently organising a lunchtime Reading Club to be held in the Library to motivate other students to read and discuss stories together. Leah always shows massive enthusiasm and effort. Well done.

News from the PE Faculty

It has been great to watch our **Year 7 boys Basketball team** in their first game against a very talented Chauncy School team. See you at training every Tuesday lunchtime!

Friday Climbing club - It has been amazing to watch how quickly our students have picked up this sport for their GCSE PE. Great climbing and belay skills already - well done!

National Apprenticeship Week

We launched National Apprenticeship week on Monday 5th March at 6pm with a presentation to interested parents and students about apprenticeships and had a huge turnout.

The sessions covered:

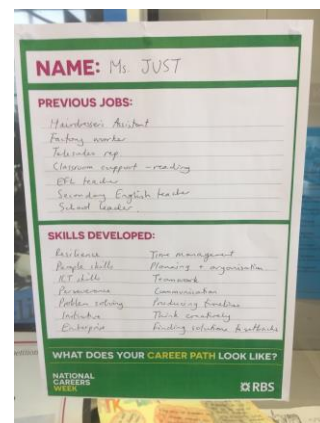

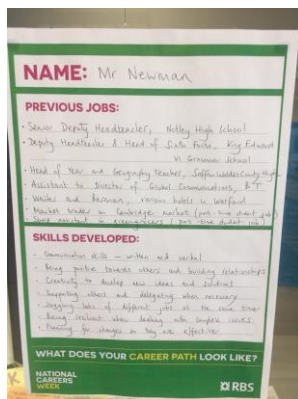

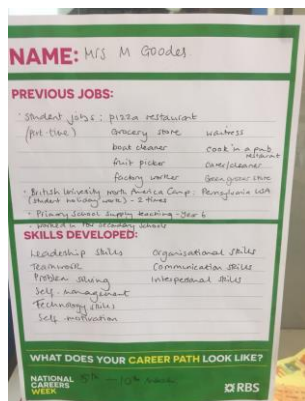

- Navigation of the National Apprenticeship Website
- Understanding the different Apprenticeship Entry levels
- How to apply for an apprenticeship
- Understanding the entry requirements for an apprenticeship

National Careers Week

HT staff were asked to put their career journey on display as part of National Careers Week this week.

HT Ski Trip to Bormio, Italy

Our HT ski trip was a great success. Students had a wonderful time, with nearly all students experiencing skiing for the first time. Friends and family were given regular updates via our Twitter feed #HTski. We are now planning for our Bormio 2019 trip!

Sixth Form visit

On Monday evening this week our Sixth Form Drama students visited the Theatre Royal, Haymarket to see Frozen by Bryony Lavery, starring Doctor Foster actress Suranne Jones.

Frozen tells the story of the search for missing 10-year-old girl Rhona, and follows her mother (played by Jones) and kidnapper, played by Jason Watkins.

Sixth Form raise money for local community charities

Our Sixth Form made a Presentation of £916 which they raised for @HDA_Helpline (Herts Domestic Abuse Helpline) which is a wonderful charity with excellent volunteers.

This was one of many successful events organised by @cvsbeh (Community Voluntary Services for Broxbourne and East Herts) who raise money for outstanding causes in our local community.

World Book Day – March 1st 2018

Haileybury Turnford Library ran our World Book Day competition for all Year 7 & 8 students. The theme this year was “Childhood Favourites”. Students had to match members of staff to their favourite childhood books. Many students got involved and enjoyed seeing many of the staff dressed up for the day as character from their favourite book!

To also celebrate World Book Day, Year 7 students were invited to take part in The Great HT Book Hunt. These events were good fun and brought the school community together.

Congratulations to the Winners:

- 1st Nazir Charalambous
- 2nd Alfonso Mauro
- 3rd Sultan Guzel
- 4th Carolina Mendes Baptista
- 5th Mehliya Redzhep
- 6th David Mungaroo

Welcome to new staff

We would like to welcome some new staff this half term - Mrs A Keenan, Interim SENCO, Mr A Belgrave, Business, Miss C Elshaboury, Art and Photography, Mrs G Hayward, Reception Team, Mr C Hutchins, DT Technician and Ms Monck, Link Worker who is starting on 19th March. We wish Mrs Hare well as she begins her maternity leave and we also welcome back Mrs Sylvester from maternity leave to re-join our English Faculty. We say farewell to Miss Downes and Mr Hanson who have recently left the school and wish them both well.

Community Art Project and House Competition

Thank you to students in Year 7 and Year 8 for their entries to design a feature out of the tree stump in the Quad outside of the Art and Technology Block. Our entries were judged by Mr Newman and Mrs Megaw. Both were impressed with the creativity, detail and practical solutions students gave in their entries. After some deliberation, the winning design was given to **Kailey Hampton** Year 7 in Bevan House and the runners up were **William Albury** Year 7 in Pankhurst House and **Phoebe Millard**, Year 8 in Bevan House.

House points were awarded to all of the students who entered this competition and the winner and runners up will receive a certificate in assembly and have their work displayed in the House cabinets. When the weather improves, Kailey's plan will come to fruition which will create our first Haileybury Turnford Community Art installation.

HT Students clear overgrown area in Lee Valley

Students from Haileybury Turnford recently went along with CHEXS to work in Lee Valley, clearing an allocated overgrown area. They started the day with a fantastic, informative safety briefing and then went on to clear a large area with everyone keeping to a very high standard. All students worked hard and accomplished clearing a lot of the site.

Year 11 Media Trip - British Film Industry (BFI)

Last week, Year 11 Media students had the privilege of participating in an educational voyage to the BFI for a GCSE TV Comedy Study Day. Speaking as one of the students who attended this trip, I can say it was an amazing opportunity which allowed us to really expand our knowledge and understanding of media and film. Not only did it educate us on the TV industry and comedy as a genre, but it give us a detailed insight on how to reach our full potential and write well-structured answers to exam questions in order to achieve the best possible grades for our GCSE exam this May. We had the pleasure of meeting Peep Show actor, Robert Webb, who has since gone on to star in more well-known TV comedies, and we listened intently as he expressed his personal advice and tips on how to pass Section B of the exam. The lecture was incredibly informative and we are now looking forward to visiting The BFI again next Thursday for more revision on Section A's Action Adventure unit.

Below are two pictures that capture our exciting adventure from train to lecture.

Year 9 Drama and Dance Performance

We would like to congratulate our Year 9 Drama and Dance students on their '100 Years Women's Rights' performance at our Awards Evening. We have been continuing rehearsing and will be joining up with sixth form students **Laura Lewis**, who will be performing a speech, **Poppy Parker** and **Meliz Hassan**, who have created two contrasting media films exploring how women from the past and present continue to fight for equal rights for women, to perform at The Spotlight in Hoddesdon this evening.

We hope to see lots of parents there and thank the students for their continued dedication in sharing their passion for the arts.

Exploration and Discovery themed Science Week 2018 – 12th-16th March

As well as a Year 10 Science trip to Science Live in London last Friday in the snow, our Year 7 students had a visit from Amy at Paradise Wildlife Park with a tortoise and a Madagascan lesser hedgehog tenrec on Wednesday - pictures can be seen below.

The Science Faculty will mark Science week next week with Forensic activities for the Year 7 and 8 students and a talk on Bridges with the Year 10 triple scientists.

A group of Year 9 students will also be travelling to the Big Bang Science Fair in Birmingham next Friday.

Year 7-9 students will be producing posters based around the theme of 'Exploration and Discovery', with the top 5 being sent off as our school's entry into the British Science Week team poster competition.

We are linking with PE with the 'Run To The Deep' app, www.runtothedeeep.com virtually walking or running 10K 'down to the bottom of the ocean' throughout the week. Please download the app and join in!

Finally we are launching a Nature Photography competition in conjunction with the Art Department, open to staff and students alike, with prizes on offer from Paradise Wildlife Park and others. This will start from Monday - more details to follow.
