

HaileyburyTurnford

AMBITION • PRIDE • SUCCESS

“The sixth form is good ... teaching in the sixth form helps students to make good progress in academic and vocational courses.”

“Committed and enthusiastic support from the sponsor partner, Haileybury, is developing higher aspiration among pupils.”

“The school’s work to promote pupils’ personal development and welfare is good.”

“Pupils’ conduct around the school is orderly and calm.”

Message from the Principal

Welcome to Haileybury Turnford, a vibrant school for students from Year 7 to Year 13.

We are proud to be an inclusive community school, which provides a stimulating learning environment for students of all abilities, interests and backgrounds.

Throughout the school we are committed to forming solid and lasting relationships and partnerships: with students, with teachers and with parents and carers. We are also delighted to be in a strong partnership with Haileybury, one of the country’s leading independent schools, based in Hertford Heath. Our name reflects the commitment of both schools to enhance and progress the learning aspirations of our students.

It is these partnerships which combine to create an environment where our values – *Ambition, Pride, Success* – can come to life for our students.

We encourage our students to embrace these values by offering them high quality teaching and supportive pastoral care, as well as inspiring them to discover and nurture their talents across the whole curriculum, including in the Arts and Sport.

Our school is on a journey with an ambitious trajectory. Our ultimate aim is that we develop students who are self-assured, resourceful, independent and – above all – optimistic about the next stage in their lives. This comes from how we teach, always with our values at the forefront, and with great support from parents and carers.

Academic results are important to us. Each of our students will be challenged and supported to achieve their full academic potential across our broad curriculum within a focused and disciplined learning environment.

We are very proud of our students and believe that they can achieve great things with the support of our committed and talented staff.

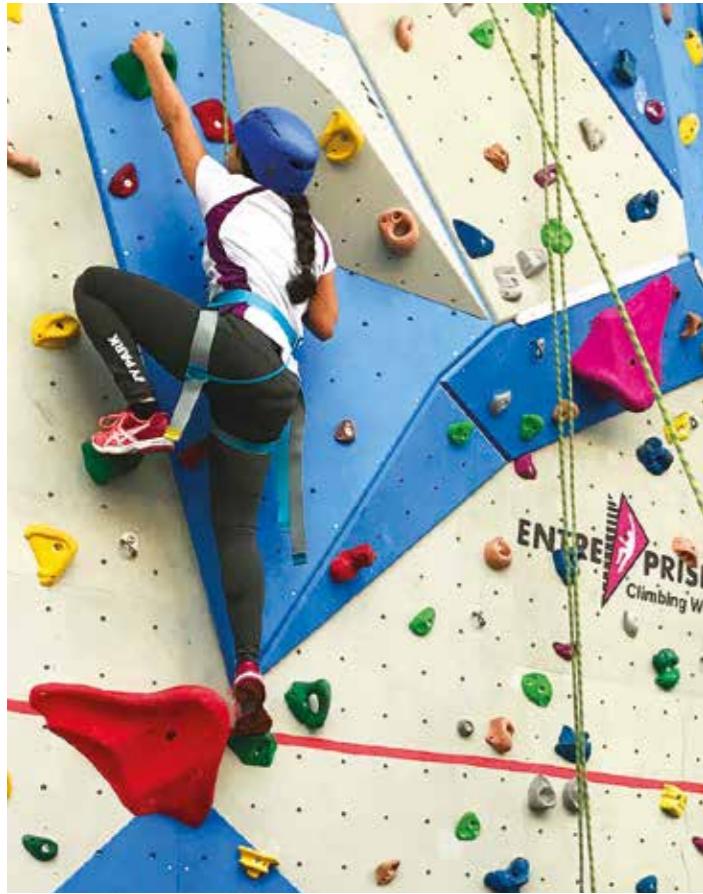

We look forward to showing you our school.

Robin Newman
Principal

Our partnership with Haileybury was established in September 2015. As the relationship has progressed, many of our students have complemented their learning by accessing the range of opportunities available to them at Haileybury.

Our link with Haileybury means that our students reap the benefits of further teaching, revision workshops and interview practice for university applications.

Our students are also members of Haileybury's Combined Cadet Force and participate in Haileybury's annual Model United Nations Conference.

In partnership with Haileybury

Very recently, one of our students, alongside a student from Haileybury, won a prestigious award to travel to Australia to spend a month at Haileybury Melbourne.

We encourage all our students to explore the opportunities offered to them through our unique connection to Haileybury and fully support those who choose to pursue them.

“We are delighted that our partnership is already making a real impact on the lives of the students at Haileybury Turnford. There are exciting plans for further partnership, as well as developing new buildings at the school. The future for Haileybury Turnford is very bright indeed.”

Russell Matcham Chairman of Haileybury Turnford Governing Body

In partnership with our students

Our enthusiastic teachers are committed to delivering a stimulating curriculum and ensuring that we offer our students every chance to achieve their full potential.

We make sure we highlight outstanding student achievement through initiatives including a monthly Principal's Award, by recognition in our regular newsletters and at our very popular Awards Evenings.

We aim to deliver lessons with both challenge and support, giving our students every chance to succeed.

“The teachers at Haileybury Turnford are very supportive and there are many opportunities to get involved in after school clubs such as dance, drama, football and netball.”

Student

A broad and diverse curriculum

Alongside striving to ensure each student achieves excellent academic results, we also place emphasis on lessons which draw out their imagination and creativity.

We encourage our students to understand the whole breadth of our **Science** curriculum and seeing how science is applied in the world around them. Our students also benefit from Haileybury's science facilities and teaching staff to support their learning.

Our **Design & Technology** students develop working products, using their ingenuity and invention skills. We are keen to ensure that they are switched on to today's rapid pace of technological change through their design work and creations.

Our **Creative & Performing Arts** curriculum encourages our students to explore their creative talents through a spectrum of subjects from fine art, photography and media to dance and drama. They also participate in various shows and events held at our school and at Haileybury.

We have had some fantastic **Sporting** students in recent years and we are proud to continue the tradition of giving our students a broad range of sporting opportunities. Haileybury shares its sporting facilities with our GCSE PE students, many of whom regularly use the climbing wall at our partner school.

The students who choose to stay in our **Sixth Form** can take advantage of a very nurturing environment which supports them with their academic achievement. We want to make sure that all our students are prepared for the next stage in their journey whether it is going into employment, an apprenticeship or university. Haileybury offers very practical support to our Sixth Form students by helping with applications to competitive university courses.

“Watching the students grow in confidence, knowledge and skills is one of the main reasons I enjoy teaching at Haileybury Turnford.”

Teacher

Partnership with parents and carers

We aim to foster good relationships with the parents and carers of our students so that we can provide a healthy and supportive environment for learning.

As well as our Parents' Evenings, we also hold frequent Parent Forums and publish our regular newsletter with news from around the school.

“Haileybury Turnford is a great school which is clearly on the up. The staff are dedicated and there is a strong focus on offering all students opportunities to develop.”
