

Haileybury Turnford Sixth Form Exam Results – August 2019

Year 13 students at Haileybury Turnford are celebrating their exam results in this year's A Level and vocational examinations today. We are very pleased to announce that this year's A Level grades show an increase in the number of A*-B grades compared to 2018. Our vocational results also continued their excellent performance of previous years with outcomes remaining high. More students than in previous years will be starting at top universities including two students gaining places at Oxford and Cambridge.

The majority of students have won places at their first choice of university including **Liam Kline** who achieved A* A A in History, Economics and English Literature and will now take his place at the University of Cambridge to read English. **John Pearce** achieved A* A* C in Maths, Physics and English Literature and will attend the University of Oxford to read Physics. **Daisy Jarvis** achieved A* A B in PE, Economics and History and will study Sport and Exercise Science at Loughborough University and **Matthew Curry**, Head Boy achieved A B C in PE, Maths and Biology and will study Sport and Exercise Science at the University of Nottingham. **Megan Pope** achieved A* B B in Sociology, History and English and will study English at the University of Nottingham. **Rebekah Dawes** achieved A B Distinction in Sociology, History and Health & Social Care and will be studying Primary Education at the University of Hertfordshire.

Students have also accepted Higher Level Apprenticeships. **Kyra Daley** has successfully gained an Accountancy apprenticeship with MacIntyre Hudson and starts with them in September after achieving B B B Distinction* in Accounting, Engineering, Product Design and Business. **George Jenkins** achieved A in Economics and B in Accounting alongside a Distinction in Business.

The school has had excellent results in a wide range of A Level subjects including Economics, Maths, Media, PE, Physics and Sociology. There has also been real student success across the range of vocational subjects offered with many top grades achieved in BTEC Business.

Principal Robin Newman said: "We are very pleased with the results achieved by our sixth formers. Students who have worked hard, supported by their committed teachers have been rewarded with excellent university and work-based pathways beyond our sixth form. These results demonstrate that the school is providing high quality support for sixth form students. I would like to thank our dedicated staff team, and wish every student great success in the future."

Navpreet Shivalkar, Head of Sixth Form, added: "Support received from our sponsor school, Haileybury, has directly led to our students successfully applying to, and being accepted at both the Universities of Cambridge and Oxford and many other highly competitive universities. Both A Level and vocational results continue to be excellent with students attaining well and securing places at university, apprenticeships and the world of work."

Haileybury Turnford, sponsored by Haileybury in Hertford Heath, has a comprehensive sixth form whose students benefit from the support from its sponsor.

Students still interested in applying to Year 12 for September 2019 should make contact with the school directly as some places are still available. For students who are looking to apply to Sixth Form for September 2020, our Open Evening will be on Thursday 21st November 2019. Haileybury Turnford welcome applications from students who wish to follow both academic and vocational pathways. Haileybury Turnford Sixth Form is judged "Good" by Ofsted.
