

A few words from Mr Newman

I cannot believe we have only 3 weeks until the Christmas holidays! Our Year 11 students are currently taking their mock exams to help prepare them for next summer. We have been hugely impressed by their commitment and approach this week, and staff will be busy marking exam papers so that we can feedback their results before the Christmas break. Some of our sixth formers also have mock vocational exams to help prepare them for their exams in January.

Our curriculum opportunities for students

In recent weeks students in different year groups have had a wide range of curriculum opportunities. Further details can be found inside HT News.

Since half-term we have also been fortunate to host Professor Robert Winston. This was a brilliant opportunity for our students to hear from one of the world's leading scientists, and for some of our sixth formers to have question and answer sessions with him too. I was also delighted that students from Haileybury were able to join us.

Our Careers Programme for students goes from strength to strength. As part of this programme our Year 9 students visited Elstree Studios to find out more about careers available within the creative industry. We have also recently updated the careers section of our website to provide more details about what provision we have in place for students. Take a look!

Co-curricular opportunities have continued for students – the Hall has been very busy at lunchtimes with our popular Table Tennis Club, especially during the recent wet weather. We launched our House Christmas Card Competition for Year 7 students and the winning designs will be chosen in the next few days! We have also raised money for Children in Need and for our School Library too. Thank you for all donations received! Last week our Head Boy and Girl led all year group assemblies about the work of our Student Leadership Team. They are making a real impact and ensuring our students have a voice in their school. We are also looking forward to our HT Mock General Election on 10th December.

Sixth Form News

We had a very busy Sixth Form Open Evening last week and we look forward to receiving applications from our Year 11 students, and from external students by Monday 16th December. We expect our Sixth Form which Ofsted recognised as 'Good' in May 2018, to grow further in September, following the improvements in the summer's exam results for A Levels and vocational qualifications and the success of our Year 13 students who gained places at Cambridge and Oxford, and other very competitive universities. As is now normal for us at this time of year, we have been busy preparing applications to Oxford and Cambridge, and medical school with additional support from Haileybury staff.

Dates and Events

AUTUMN TERM

Monday 2nd September to Friday 20th December 2019

Half-term (2 weeks)

Monday 21st October to Friday 1st November 2019

SPRING TERM

Monday 6th January to Friday 3rd April 2020

Half-term

Monday 17th February to Friday 21st February 2020

SUMMER TERM

Tuesday 14th April to Friday 17th July 2020

Tuesday 14th April – Year 11 and 13 students only

Wednesday 15th April – All students return

Half-term

Monday 25th May to Friday 29th May 2020

2nd December 2019 - Sixth Form Haileybury Lecture 7.30pm

Curriculum Round-up

Professor Robert Winston visits the Science Faculty

On 12th November 2019 we were incredibly honoured to be joined by Professor Robert Winston at Haileybury Turnford.

Professor Winston is a Scientist who pioneered early work with IVF to help thousands of couples with fertility problems to become pregnant. He has also presented many documentaries and is a peer in the House of Lords.

During the day Professor Winston spoke to a large group of our Year 9 students along with students from Haileybury and The Sele School in Hertford. Professor Winston also met with a small group of Year 10 students, answered questions from our Sixth form Science students and formally opened our new labs, which were refurbished over the summer break.

One student said “it was an inspiring session where we got to hear from a real Scientist about how technology has developed and the importance of team work”.

Spanish students visit Madrid

During half-term Miss Gibbs, Mr Williams and Mr Lindquist travelled to Spain's capital with 31 students after waking up bright and early for their 7.00am flight. After landing they made the most of the day by doing a walking tour and exploring the centre of the city.

On the second day they visited the home of the Real Madrid football team, the Bernabéu stadium. The students found it awe-inspiring to be in such a big place and the museum was very interesting. They then visited the beautiful Royal Palace in Madrid, the biggest in Europe measured by square feet.

The third day was a visit to the 'Las Ventas' Bull Ring, with many unsure of their views about the sport. After listening to the history and tradition behind bull fighting, they came away with a new-found respect for it at least.

On the final day they visited the Retiro Park and then the 'Museo del Prado', one of the most famous art museums in the world with some free time in the centre of Madrid for lunch and to explore the city before the journey home. Thank you to Miss Gibbs, Mr Williams and Mr Lindquist for organising and leading the trip.

HT Community remembers

On 11th November staff and students observed a two minute silence at our remembrance service in honour of all those who served and lost their lives in the First World War and every conflict since.

#LestWeForget

#ArmisticeDay

Year 8 trip to WW1 Battlefields in France and Belgium

Year 8 students got up early on Friday 22nd November and took the ferry to France for the start of their trip. First stop of the day was Langermark German Cemetery and then onto "Tyne Cot" where the students laid a wreath, read a poem and held a minute's silence for the fallen. The busy day ended with the last Post Ceremony at the Menin Gate to honour the missing.

The next day was another early start to visit the area of the Somme, visiting Newfoundland Memorial, Thiepval Memorial and finally Lochnagar Crater. Students and staff then caught the ferry home Saturday evening after a very busy, insightful and enjoyable trip. Thank you Miss Kaposi, Miss Allingham and Mr Lindquist for arranging and leading the trip.

Year 8 Geography Volcanoes House Competition

Well done to all the Year 8 students that entered Geography House competition on volcanoes. We had some fantastic entries showing great creativity.

First Place Winners with 150 house points awarded Sam Fleming and Emma Cooper – Pankhurst	Second Place with 100 house points awarded Daniel Wade – Turing	Third Place with 75 house points awarded Melissa McIrvine and Maisie Nelson - Shackleton
Highly commended all receiving 25 house points Lilly Richardson - Bevan Henry Atkinson - Bevan Emily Pym - Turing Freddie Barry - Turing Katie Cushings - Turing	Chloe Courtenay-Burrows - Turing Gracie Green - Bevan Joshua Fineberg - Shackleton Reece Selby - Shackleton Madalina Zavadowschi - Bevan	

Creative Arts students visit Elstree Studios

As part of #DiscoverCreativeCareers week 80 Year 9 students had the opportunity to attend Elstree Studios to hear from a number of employers and organisations within the creative industry. Students were lucky enough to hear from the managing director of Elstree Studios, Roger Morris who introduced students to some of the thousands of careers available within the creative industry. Students then were able to talk to the different employers and organisations at their stands, as well as interact with some of the equipment that is used within the industry.

What career areas are included in the Creative Industry?

Sixth Form Open Evening

Last Thursday saw a big turnout for Haileybury Turnford's Sixth Form Open Evening. Students and families heard about the range of courses on offer for Year 12 students of all abilities, and the support on offer to ensure our sixth form is an excellent choice for students to continue with their studies post-16.

The deadline for applications for September 2020 entry is Monday 16th December.

Year 7 Shoe Box Appeal

Thank you to all the forms that donated to the Shoe Box Appeal.

100 House points go to:

7Bader = the most collected

7Turing = the best decorated

With 25 House Points for some excellent individual efforts from:

Andie Smyth – 7Turing

Aaliyah Dixon – 7Bader

Heidi Hull – 7Turing

Kaitlyn Mungaroo – 7Turing

Lukercija Kolvianec – 7Shackleton

Library Appeal Cupcake Sale

Over £200 was raised from our Fundraiser Cupcake Sale have meant purchasing from the proceeds some more new, popular books for our students. Thank you to everyone who took part and donated.

Spotlight on Staff – Miss Goody

Miss Goody has been working at Haileybury Turnford for sixteen years and is Assistant Head of Sixth Form and Head of Year 12 and, perhaps, one of the most familiar faces around the school. Our Head Boy & Girl, **James Evenden** and **Lauren Wollaston-Smith** took a few minutes out of her busy day to find out a little more about her.

One thing you like about working at HT	The sense of community and support
One thing you would chose	An end to prejudice
One thing you do in your spare time	Work on cars
One thing you have learned in life	Hard work is the key to success
One thing you wish you'd known earlier	All actions have consequences
One thing you would save if your house were on fire	My puppy, Clyde
One thing that defines a good teacher	Firm but fair
One thing you wold like to experience again	My school days – they are precious!
One thing you could not live without	My insulin pump
One thing that defines a good student	Hard work and respect
One thing that you like to watch	Friends
One thing you are waiting for	A cure for type 1 diabetes
One thing that might surprise people to know about you	I fought at national level in Judo
One thing you love about your job	My students and their dedication
One thing that makes you smile	Going on holiday

HaileyburyTurnford

AMBITION • PRIDE • SUCCESS

We want to be a vibrant school, developing every aspect of our students.

We will make sure that each student has the opportunity to reach their potential, and can leave us with the qualifications, skills and qualities they need for a successful life.

We will draw on Haileybury's 150 years of outstanding achievement, and combine that with Turnford's strong sense of community, to create an exceptional school.

We believe that excellent teaching, academic success, the best pastoral care and enriching co-curricular opportunities are hallmarks of an excellent school, and will mean our students thrive, flourish and succeed.

Excellent teaching and ambitious learning

- There will be excellent teaching for every student in the school, so they get outstanding exam results.
- Our teachers will give stimulating and challenging lessons, raising aspirations and inspiring our students to learn.

Respectful and well-behaved students and excellent pastoral care

- We will expect our students to:
 - Do everything with pride and ambition
 - Behave well
 - Respect each other and all adults in the school
 - Take responsibility for their actions
- We will expect our parents and carers to support their children and the school.
- In return, we will work closely with them, so all our young people are able to reach their potential.
- We will support the students with the best pastoral care, so they are happy and feel safe at school.
- We want our students to develop the qualities they need to be good members of society when they leave school, contributing to the global, national and local communities they live in.

Enriching co-curricular opportunities

- We will offer our students a diverse and vibrant co-curricular programme to encourage their personal development.
- We will give them opportunities in leadership and teamwork to develop their confidence, resourcefulness and resilience.
