Ambition · Pride · Success

13th January 2020

Dear Parent/Carer

Re: Grade 9 Booster Club Initiative

I am pleased to inform you that your child has been selected to take part in our new Grade 9 Booster Club initiative. Your child has been identified as having the potential to achieve a grade Grade 9 in GCSE Mathematics. Achieving a Grade 9 in Mathematics will open the door to further study, prestigious colleges and future success.

In order to give your child the best possible chance of achieving the highest grade possible, I am setting up the Grade 9 Booster Club on Thursdays from 8.00am-8.50am in LA3. The first session will be this Thursday, 16th January 2020. They will work on identified areas of weakness with the aim of pushing them towards the highest grades in Mathematics. All materials will be provided for them by the school.

If you would like your child to take part in the programme please return the below slip to me at the school by this Wednesday, 15th of January 2020. If you would prefer, you can email me to confirm your child's attendance at: dattaj@haileyburyturnford.com.

If you have any questions with regards to this programme do not hesitate to contact me.

I do hope that you support the school in helping your child achieve their full potential.

Thank you for your continued support.

Yours sincerely

Mr. J Datta
Director of School Improvement

Reply Slip: Mr J. Datta - Grade 9 Booster Club Initiative
