Dear Parent/Carer

## RE: Take Maths Further! - Year 10 Enrichment Day

I am writing to let you know that your child has been selected to take part in Take Maths Further! - Year 10 Enrichment Day on Monday 13<sup>th</sup> January 2020 at the Centre for Mathematical Sciences, University of Cambridge. It will be a day of stimulating mathematical talks and activities designed to help students see the usefulness and fun of maths beyond the curriculum. This day is for Year 10 students who are capable of studying maths beyond GCSE. It is designed to encourage and inform students who may be unsure of their future plans. The enrichment day is run in partnership with the Advanced Mathematics Support Programme and Cambridge University and will involve:

09:45 - 10:15 Arrival and Registration  
10:15 - 11:00 Opening Talk : Kristin Coldwell  
11:00 - 11:15 Break  
11:15 - 12:15 Workshop Session 1  
12:15 - 13:15 Workshop Session 2  
13:15 - 14:00 Lunch break - Students to bring packed lunch  
14:00 - 15:00 Workshop 3  
15:00 - 15:45 Closing Talk : Ben Sparks

Students need to meet at Haileybury Turnford at 8.15am in order for transport to arrive in Cambridge at 9.45am. Students will return to school at approximately 5.30pm. Students should come in school uniform (where applicable), have suitable coats and footwear for out-door tours, bring pens, and water/snacks for the journey (subject to your discretion). There will be a £5.00 cost per student associated with this trip and they need to bring a packed lunch. If your child has allergies or specific dietary requirements then please take these into consideration. It is important that all pupils take a packed lunch to school with them as food will not be provided at the venue.

**Any student who uses medication, such as an epipen or asthma pump, must bring this with them on the day.**

If you have any questions about the event, please feel free to email me at: [dattaj@haileyburyturnford.com](mailto:dattaj@haileyburyturnford.com).

Yours faithfully

**Mr. J Datta**

Director of School Improvement
