Haileybury Turnford joins The Big Legal Lesson during Justice Week

As part of Justice Week 2020 (24th – 28th February), the students at Haileybury Turnford led by the Haileybury Turnford Debating Committee will join tens of thousands of young people across schools in England and Wales to benefit from [‘The Big Legal Lesson’](#). This schools’ campaign, led by the education charity Young Citizens, is expected to be the biggest public legal education event of its kind as it introduces the fundamentals of the Justice system in England and Wales.

Resources that the students will engage with were developed in partnership with global law firm Allen and Overy. The classroom resources look at the fundamentals of the rule of law, and the role of parliament, government and the justice system. The students will also be given the opportunity to engage in debate over key issues and meet a Barrister from the global law firm Allen and Overy.

The theme of Justice Week 2020 is Public Legal Education, and the intention is that the week’s engagement, will boost public understanding of the fundamentals of the justice system in England and Wales.

You can follow school engagement on social media using:

#JusticeWeek and #TheBigLegalLesson.
