

A NET or Surface Development of a Cube.

HELPFUL HINTS

Here is a net of a cube. Try making one for yourself in card if possible.

The other sheet shows some packaging symbols you could add to each face of the cube with one face available to design your own name.

Write down what each symbol stands for.

Start with a middle line

Each square is 6cm x 6cm.

Tabs can be 1 cm wide

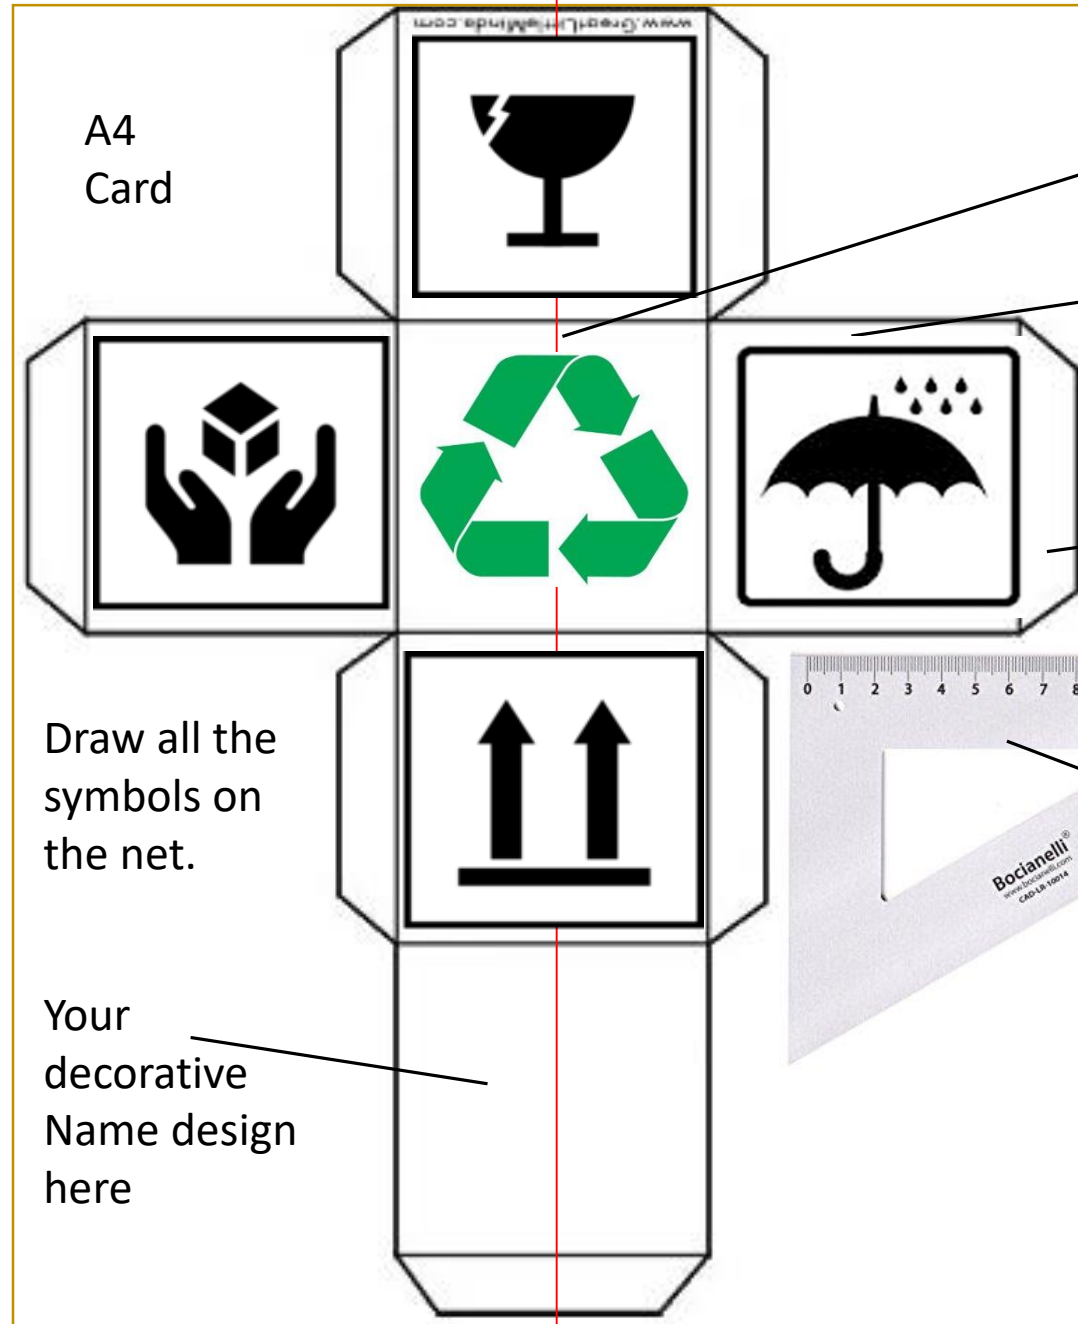

This is a set Square.
Use it for the corners.

Don't forget to score the card. Scissors, metal ruler, cutting mat needed.

Decorate the cube before you glue it together
