

Haileybury Turnford

Ambition · Pride · Success

13th March 2020

Dear Parent/Carer

Welcome to Haileybury Turnford

I write to welcome you to Haileybury Turnford. I am delighted that we will have the privilege of preparing your child for their future adult life; and very much look forward to working in partnership with you over the next 7 years.

At Haileybury Turnford we wish to make the transition to Year 7 as smooth as possible and will therefore be in communication with you on a regular basis. Miss Allingham, our Year Achievement Coordinator for Year 7, will visit all of our feeder primary schools during the Summer Term and will use these visits to meet with your child as well as Year 6 teachers. In addition, our Special Educational Needs & Flexible Learning Coordinator, Mrs Mitchell will visit each of our feeder primary schools and will support students with additional needs.

Our website - www.haileyburyturnford.com is a key source of information for you and is updated regularly. You may wish to click on the 'Latest News' section on our website, follow us on Facebook at <https://www.facebook.com/haileyburyturnford> or via our Twitter feed https://twitter.com/Hailey_Turnford. Information on our partnership with Haileybury can be found under the 'Our Sponsor' section of our website.

In due course, we will send you an information pack with details about the school and various forms you to complete and return. Should you have any questions or queries, Miss Allingham will be able to help you allinghamh@haileyburyturnford.com; 01992 30833 ext. 307. We will also invite you to our informal Welcome Events in the coming weeks and our Transition Evening on **Thursday 18th June 2020**. During this evening you will have the opportunity to ask questions and meet the team that will have responsibility for your child. Your child will also have a day in school on **Thursday 9th July 2020** and will have a series of taster lessons with their form group.

It is an exciting time to join our school community; we have a significant new building project which will provide 12 new classrooms, a new library and 3 new science laboratories by September 2021 which will be in use by the time your child starts Year 8.

In the meantime, I wish your child a successful and enjoyable last few months at their primary school; and I look forward to meeting you very soon.

Yours sincerely

Mr R Newman
Principal
