18th March 2020

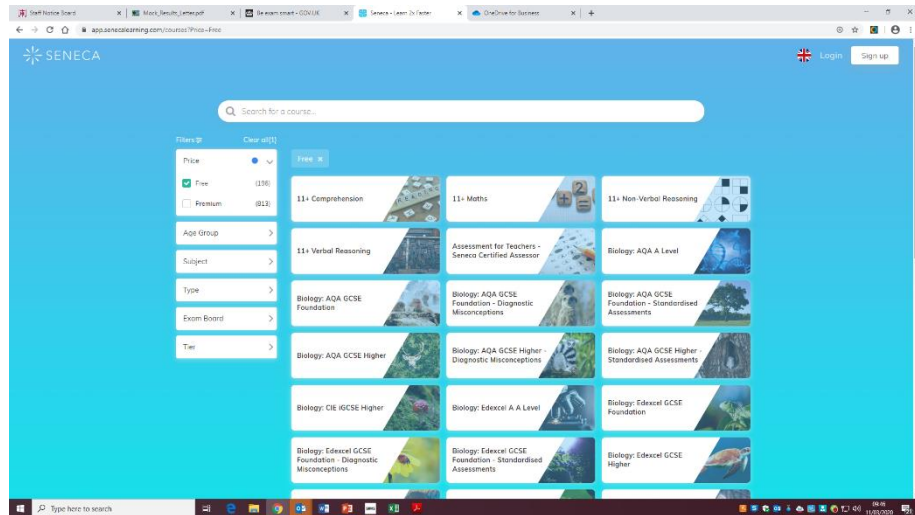

Dear Parent/Carer

In order to support your child during this time, we have reissued the log-in details for Classcharts (<https://www.classcharts.com/>) to students and posted letters to parents with their log-ins. Tasks and materials will be posted here for students to work on whilst at home. Work can then be submitted via email to the appropriate teacher, who will look at the work and send feedback. Teachers will upload work daily so students should check Classcharts regularly. Students should check for work by searching for the due date. Previous homeworks and resources will also be available from earlier in the year for students to revise from.

We also recommend the following websites:
<https://www.senecalearning.com/>

This features all subjects and exam boards and whilst there is a section where you need to pay, many of the resources are free. In order to access the materials, go to the web page:

From here you can access materials without creating a log in, however if you create a login the site will 'mark' answers and keep a log of your results, helping direct you to areas you need to focus on.

A screenshot of the Seneca Learning sign-up form. The form is titled 'Sign up' and includes a link 'Try without signing up?'. It has input fields for 'First name', 'Last name', 'Email', and 'Password'. There is a checkbox for 'I agree to the Terms and Conditions' and a 'Sign up' button. At the bottom, there is a link 'Already have an account? Login'.

If you wish to sign up, click in the top right-hand corner and a sign-up box will appear (see opposite.). Once you have completed the sign-up page using your Haileybury Turnford account, it will ask whether you are a student or a teacher. It will then ask for the school's name.

To get Premium services, you would need to pay, however the free resources are excellent and provide plenty of detail and information to use alongside other materials provided by your teachers. Once you have accessed the front page you can select the relevant subject, exam board and topic.
