Dear Parent/Carer

I am pleased to announce that Hertfordshire County Music Service are now offering online instrumental lessons for all their students.

I have attached a letter from the music service. Please read it carefully as it contains lots of information. If you wish to take up the offer of online lessons you will need to register directly with the music service as detailed on the letter.

If you choose not to take up this offer that is fine. Lessons will resume at school as normal once school goes back and things get back to normal.

If your child does not have an instrument at home, the music service is currently looking at the possibility of hiring out instruments, including drum kits and keyboards. Please let the music service know if you will require an instrument to be hired. The music service will charge for this facility.

I do hope that you will consider taking up the offer of online lessons for your child as this is a great way to provide continuity to your child's progress in their instrumental studies at this unprecedented time.

Yours faithfully

Mrs S Nicholson
