Dear Parents/Carers,

We hope that you are still keeping safe and well. Our students continue to work hard at home using the resources provided by their teachers. We are really impressed with the level of engagement from all students at HT. Over the last 6 weeks, over 3000 projects have been completed from Years 7-9 all to an amazing standard. After half-term we will continue to set work in the same way for all year groups and more information will be sent out about this. Please do continue to contact us if you have any questions or require additional support.

**The HT Staff Team**

## What have our parents said?

"The wide variety of projects set have meant it has been interesting and varied for my son."

"We have noted that extra challenges have been posted quite a lot and he is looking to tackle some of the English tasks as he is running low on projects that are."

## Well done HT

## A message from the Music Department

### Online Instrumental Lessons

All students who have instrumental lessons at school will have received a letter and email regarding online lessons from Hertfordshire Music Service.

We hope that as many students as possible have been able to sign up for this. This will be a great thing to do whilst school is closed.

If you have any questions please email Mrs Nicholson on [nicholsons@haileyburyturnford.com](mailto:nicholsons@haileyburyturnford.com)

## #Online Safety at Home

The webpage below is from **Thinkuknow** which is an online safety education programme from the National Crime Agency and has video links and activities for students to complete and learn about online safety for students aged 11-13 years. Check out the link below for all of the online activities:

## Class Charts update

After half-term there will be some changes made to Class Charts. There is now have a messaging feature that will allow students to message teachers. They should use this new messaging service instead of contacting teachers by email for any support with their work. Parents should still contact teachers using email.

All work after half-term should be uploaded to Class Charts where feedback will be given within 2 working days.

## A message from the Sixth Form team

The Sixth Form team is looking forward to welcoming all of our returning Year 11s when we can! In the meantime, to ensure you are ready to study your Sixth Form subjects, complete the preparation work that has been set and is available on the school website. Ask the teachers if you are unsure what needs to be done.

As we will be unable to have our usual induction programme, we are planning a virtual induction towards the end of June. This will be a chance for you to meet the Sixth Form team, and for us to give you some guidance on how to prepare for the rigours of life in the Sixth Form. We will also be able to answer any questions you may have. More details to follow soon. In the meantime, if you have any questions at all about the Sixth Form then do please contact any member of the Sixth Form team.

Lastly, if you have not applied and have now decided that you would like to join our Sixth Form then please contact Mr Lindquist or Mrs Shivalkar - it is not too late to apply!
