May 2020

Dear Parent/Carer

We are delighted to welcome you and your child to Haileybury Turnford as part of our new Year 7. I am Miss Allingham and I'm the Year 7 Year Achievement Coordinator at Haileybury Turnford. Mrs Carter is the Assistant Year Achievement Coordinator for Year 7.

As a school, we have had to adapt rapidly over the past few weeks and we are currently providing online schooling to the majority of students. Our Year 7 students have been accessing and completing their school work via an online learning platform (Class Charts) and our staff have been keeping in regular contact with all students by phoning, emailing, newsletters and by using Class Charts. We are still open to a small number of vulnerable students and students whose parents are critical workers.

It is definitely an unusual and challenging time at the moment, and we know you and your child might be feeling especially nervous about the transition into Year 7.

In order to follow the government's guidelines on social distancing, we've had to adjust some of our arrangements for supporting this year's transition to us. However, we hope the activities that we've planned will help put your child (and you!) at ease and enable them to feel as excited as we are for the new school year.

We will be contacting you early in June with further details about these arrangements.

We are here for you every step of the way during your child's transition into Year 7. If you have any concerns or questions, please let us know by contacting any one of the staff members below by email:
