Dear Parents/Carers,

As we get closer to the end of the summer term we are constantly reflecting on the amazing achievements and successes which our students continue to demonstrate. We understand that providing a curriculum remotely has presented us all with some challenges but we are extremely grateful for the support that our HT families have shown us throughout this time.

It has been great to teach some of our students in Year 10 & 12 this week and we do hope that this has been a positive experience.

We do look forward to seeing you all in September; continue to work hard and enjoy the glorious weather.

Kindness challenge homework.

By Perry Lynch

1) the way I define kindness is saying nice things, using appropriate language and not trying to hurt someone's feelings even if they hurt yours or ignore you or anything to be frank.
2) Doing some drawings and giving it to people to cheer them up so they don't feel down. Helping someone to do something if they don't know how to do it or can't reach, spell, or anything else for that fact.

Ruby Gunes

Dear Diary,

It's happening tomorrow, like it's actually happening, I'm going to London. I'm going to have a new life, a better life, but wow London. Just thinking about it makes me nervous, what if I don't like it there? What if I get homesick? I don't even know if my family's coming, I can get a job and a little house and if everything goes well I could have a little family. I am really nervous though, and a little sad to be leaving, I hope I will be able to get my food, as I've been told its different over there. I wonder if we have the same transport, I wonder what job I'm going to get, I hope it's a good job, and I get paid well. I'm not looking forward to getting up very early to go though, and I hope that I don't get travel sick as I've never travelled that far before. But I've got to go to sleep now and I'll write down what happened tomorrow.

National Windrush Day – 22nd June

This week at HT we have been setting our students some activities to honour the legacy of Windrush Day. Our students have written diary entries, created videos and drawn some excellent pictures to share their thoughts and opinions. Well done to all of those students who have submitted their work. Achievement points will be given.

Diversity Week – 22-26th June

This week we have also been celebrating School Diversity Week by setting our students a range of activities to support this campaign. At HT we recognise the importance of promoting equality and tackling negative views on Homophobia, Biphobia & Transphobia.

Well done to everyone who submitted their work via Class Charts to celebrate and support this matter.

Dragons' Apprentice

A massive congratulations to "Team Brain Waves" for participating in the 2019-20 Dragons' Apprentice Challenge and being awarded four out of seven of the categories available. This was a difficult task with much of the challenge taking place virtually. It is a testament to "Team Brain Waves" who not only adapted to the change, but also took it upon themselves to continue their great work from home independently. Members of "Team Brain Waves" include:

- Josh Thurston
- Phoebe Potts
- Emily Whorlow
- Sammy Porter

The team were successful in the following categories:

- **Most Money Raised** – Sponsored by Barclays
- **Best Example of Close Co-operation with Charity** - Sponsored by CVS for Broxbourne & East Herts
- **Best Poster** - Sponsored by Love Hoddesdon BID

The final award was given to an "Outstanding Individual" for how well they have worked throughout the challenge. This was awarded to **Sammy Porter** (jointly with a student from The Broxbourne School). The Super Dragons were extremely impressed with Sammy and have sent a message through to Sammy and the team for their excellent work.

From all the teams participating this year over £4,500 was raised for local charities and voluntary organisations. This has been a great opportunity for all involved to build on their employability and enterprise skills. We will look to launch the 2020-21 Dragons' Apprentice Challenge in September to all members of our Sixth Form community.

Look out on Class Charts for resources supporting

National Writing Day – Friday 26th June
