Relationships and Sex Education Parent Consultation

Dear Parent/Carer

The Department for Education is introducing Relationships and Sex Education (RSE) and Health Education for secondary schools as part of the National Curriculum for all students from September 2020. Full details can be found:

<https://www.gov.uk/government/publications/relationships-education-relationships-and-sex-education-rse-and-health-education>

Schools are required to consult with parents when developing and reviewing their policies for Relationships and Sex Education (RSE). The purpose of the new curriculum is to provide knowledge and understanding of safe and healthy relationships, based on respect. The subject is designed to support children from all backgrounds and ability build positive safe relationships, to thrive in modern Britain.

The Relationships and Sex Education and Health Education model curriculum covers KS3, KS4 and KS5 and is based on core themes. It is adaptable to the age and ability of the students. The following themes are covered:

- Families
- Respectful relationships, including friendships
- Online and media
- Being safe
- Intimate and sexual relationships, including sexual health

Parents continue to have the right to withdraw their child from Sex Education except in those elements which are required and are statutory. Should parents wish to withdraw their children they are asked to notify the school by contacting the Principal in writing. We believe that the controlled environment of the classroom is the safest place for this curriculum to be followed. We believe the content of these subjects – such as family, friendship, safety (including online safety) – are important for all children to be taught.

As part of our planning for the new curriculum I am inviting parents, students, governors and staff as part of our consultation to review the attached policy including the curriculum map. The consultation period will run from Wednesday 3rd June to Monday 15th June 2020. Please do email your responses if you wish, to enquires@haileyburyturnford.com with the title "SRE consultation". Please note, the school's governing body holds the final responsibility for the policy and RSE provision throughout the whole school.

Yours faithfully
