The Principal's Book – Year 7

Cameron West

Cameron has been nominated by the RS Department for his project – a presentation detailing great research on the “Rabari Tribe”. Full of history, facts and colour. Well done Cameron!

Jake Rixon

Jake has been nominated by the Science Faculty. Jake has completed an excellent project on “Aliens”. He has completed all tasks and they are outstanding. He has been incredibly creative with his radio transmission and letter to Area 51. The standard of work that Jake has completed has been a running theme with all projects that Jake has submitted. Jake also submitted an excellent human body project which includes a brilliant memory game. Great work. Well done Jake!

Havana Marshall

Havana has participated in the Windrush challenge where she had clearly put in lots of time and effort. Well done!

The Principal's Book – Year 7

Sky Renahan

Sky has been nominated by the Geography Department. Sky has completed an excellent project about coral reefs and has included a wide range of pictures to illustrate what a coral reef is. The project has described what a coral reef is, where they are located and has included the animals and plants that can be found. She has also thought about what it would be like to visit a coral reef and has thought about the ways in which coral reefs have benefited people. This is an excellent piece of geography work. Well done Sky!

Gabriella Ragbir

Gabriella has been nominated by the Drama Department. Gabriella created a fabulous set design with lighting. A fabulous and extremely creative piece of work. Well done Gabriella!

Onur Gungor

Onur has been nominated by Miss Allingham for his continued hard work and dedication to his studies. Keep up the fantastic effort.

The Principal's Book – Year 8

Daniel Wade

Daniel has been nominated by the PE Faculty for his Tokyo Olympics PE project: Design a new “Mascot for Tokyo 2021”. This is a great piece of work; a design which shows Daniel’s excellent artistic skills and is both eye-catching and fun to look at. Great work. Daniel has a second nomination from the RS Department for his “Identifying a symbol” project. All Daniel’s creativity is displayed in this presentation which evidences all his hard work. Finally, Daniel has had a third nomination from the Science Faculty for all the impressive work he has submitted. Fantastic work Daniel.

Michael Pambacas

Michael has been nominated by the Science Faculty. This is for his hard work, effort and imagination in his making of an alien model for the Physics project. A really creative and colorful piece of work. Well done Michael!

Remy Matthews

Remy has been nominated by the PSD Department. Remy has delivered a detailed project of her “Day in my life during lockdown” in the format of a diary. Full of events and activities that occupy her day during this difficult time. Well done Remy!

The Principal's Book – Year 8

Alfie Carpenter-Gibson

Alfie has been nominated by the Geography Department. Alfie’s nomination is for all his hard work and effort in completing three separate geography projects. Keep up the great work. Well done Alfie!

Emma Cooper

Emma has been nominated by the PSD Department. This nomination is for Emma’s amazing videos telling her story of “A day in her life during lockdown”. It is full of activities showing how Emma manages her day during this time - colourful, musical and innovative. A very creative project in which she had clearly put in a lot of time and effort. Great work. Well done Emma!

Henry Atkinson

Henry has been nominated by the Science Faculty. Henry’s nomination is for his fabulous job editing a video for the Earth Chemistry project - detailed, colourful presentation. In addition, Henry has received a second nomination from the Geography Department. This is for his video made about coral reef ecosystems as well as his accompanying ecosystem in a jar. A very creative project in which he has clearly put in a lot of time and effort. Great work. Well done Henry!

The Principal's Book – Year 9

Ruby Gunes

Ruby has been nominated by the Science Faculty. Ruby has created an exceptional project for Marine Biology. The photo is of her 3D model but she also submitted other outstanding work alongside this. Ruby created a fabulous set design with lighting. A fabulous and extremely creative piece of work. Great work. Well done Ruby!

Toby Sharples

Toby has been nominated by the Science Faculty. Toby has produced two pieces of excellent work in Chemistry. The climate change project on Greta Thunberg and another on deforestation. His two pieces of work are full of facts on these two subjects. Really impressive work that shows all the hard work and effort put in. Well done Toby!

The Principal's Book – Year 9

Abigail Blunt

Abigail has been nominated by the Science Faculty. Abigail has produced excellent work in Chemistry with her climate change project. It is a really impressive piece of work that shows lots of hard work and effort. Well done Abigail!

Michael Clarke

Michael has been nominated by the Science Faculty. Michael has been recognised for his outstanding effort in his Chemistry project. The presentation on "Climate Change" is informative, detailed, full of colour and information – it is really eye catching. All his hard work is evident in this project – excellent! Well done Michael!

The Principal's Book – Year 10

Jamie Curry

Jamie has been nominated by the Geography Department. This nomination is to recognise all his hard work, effort and dedication in creating revision resources for his GCSE Geography. Jamie has also been nominated by Mr Barrett for recognising all his hard work in the creation of excellent revision resources. Well done Jamie!

Zofeyah Sintin

Nominated by Mr Barrett for recognising all her RS work, and regularly attending Microsoft Teams sessions. Well done Zofeyah!

Annie Owens

Nominated by Mr Barrett for recognising all her hard work in the creation of her excellent revision resources. Well done Annie!

Sophia Rothwell

Nominated by Mr Barrett for recognising Sophia's excellent effort in the completion of her George Floyd project. Well done Sophia.

The Principal's Book – Year 10

Patricia Baican-Vist

Nominated by Mr Barrett for recognising Patricia's excellent effort in the completion of her George Floyd project. Well done Patricia.

Rebecca Fletcher

Nominated by Mr Barrett for recognising Rebecca's excellent work in Geography. Well done Rebecca!

Rosie Dunford

Nominated by Mr Barrett for recognising Rosie's excellent mental health project and Drama work. Well done Rosie!

Alexa Forster

Nominated by Mr Barrett for her participation in "Global Running Day". Well done Alexa!

Samuel Featherstone

Nominated by Mr Barrett for recognising Samuel's hard work and participation in "Global Running Day". Well done Samuel!

The Principal's Book – Year 10

Sudenaz Gungor

Nominated by Mr Barrett for recognising Sudenaz's hard work and participation in "Global Running Day". Well done Sudenaz!

Uche Uwakwe

Nominated by Mr Barrett for recognising Uche's hard work and participation in "Global Running Day". Well done Uche!

Stephanie Pearce

Stephanie has been nominated by the English Faculty. Stephanie has been working really hard to produce some excellent creative writing; her ideas, vocabulary and techniques are extremely impressive! Well done Stephanie!

Well done to all of our
Year 10 & 12 students
on their return to
school during the past
two weeks.
