Ambition · Pride · Success

5th June 2020

Dear Parent/Carer

Students should have currently been in the middle of their GCSE exams, and therefore we recognise this may well be a challenging time for your child, no doubt with mixed emotions. I would therefore like them to do something light hearted and to provide an opportunity to reflect upon their time during secondary school, as well as giving them something to look forward to.

I am starting to gather information for my Leavers' Assembly. I would really like it if students (and parents) could send me any photographs you would like to see included in the assembly to celebrate the Class of 2020.

Photographs might include:

- school trips/activities i.e. sports day etc.
- Year 7 pictures
- friendship group pictures throughout the years
- slightly embarrassing (but appropriate) pictures of students, i.e. pulling a silly face in younger years
- couple pictures
- any additional photos that are appropriate

I appreciate that there may be many photographs throughout students' time in secondary school, so I ask that you check there are no duplicates, blurred images or irrelevant photos.

Could you also send me a baby photograph for your child. I am hoping to put together a book with some memories for the year group. I do not have full details of this yet, but am in the process of planning it now.

I hope you and your families are safe and well.

Warmest regards.

Yours faithfully

Mr E Macaulay
