The Principal's Book – Year 7

James Hajdu

James has been nominated by the Geography Department. He has produced an outstanding piece of work which is accurate and precise, completing the project on scale. James has also been nominated by the Science Faculty for his positive and hardworking attitude. He has produced excellent work, going over and above the necessary requirements. Well done James!

Lacey Paddick

Lacey has been nominated by Design & Technology for her excellent project work. A fantastic effort and great to see an actual outcome made at home. Well done Lacey!

Freddie Taylor

Freddie has been nominated by Design & Technology for his excellent project work. Such creative design ideas. Well done Freddie!

The Principal's Book – Year 7

Maria Bardo

Maria has been nominated by Design & Technology for her excellent project work. A fantastic effort showing all her hard work and effort. Well done Maria!

Lilyanna Labruna

Lilyanna has been nominated by Design & Technology for her excellent project work, producing really creative design ideas. Well done Lilyanna!

Nil Dalfidan

Nil has been nominated by the English Faculty. Nil completed all 4 English challenges going above and beyond as only one was required. This is in addition to the third set of maths learning she has completed. She is being recognized for all her continuous effort, enthusiasm and hard work in both subjects. Well done Nil!

The Principal's Book – Year 7

Connie Sorce

Connie has been nominated by the History Department for her excellent project creation. Connie produced a piece of work that focuses on recent events which have taken place, including detail and images - an outstanding and very humbling presentation. Well done Connie!

Danai Cole

Danai has been nominated by the Dance Department. This nomination is for her detailed Lion King project work showing all your hard work and effort. Great work - keep it up. Well done Danai!

Remaliah Shakespeare

Remaliah has been nominated by the Dance Department. His nomination is for his creativity with the Lion King project work. This shows all your effort and hard work. Well done Remaliah!

The Principal's Book – Year 7

Lily Hutchings

Lily has been nominated by the RS Department. Her nomination is for her identity project, which is a beautiful and detailed presentation. Excellent creativity and imaginative work. Well done Lily!

Kaitlyn Mungaroo

Kaitlyn has been nominated by the Science Faculty. Her nomination is for her fantastic efforts on the Human Biology project. Great work. Well done Kaitlyn!

The Principal's Book – Year 8

Kaitlyn White

Kaitlyn has been nominated by the Science Faculty for all the exceptional work she has completed. Her work is always neat, tidy and beautifully presented. She has gone above and beyond in all her work, and in addition has completed extension work. Kaitlyn has received a second nomination for her Food Technology work – “amazing”. Not only explaining everything in great detail, but creating dishes to suit and uploading images of her amazing work. Finally a third nomination from the Science Faculty for continually producing exceptional work. She is thorough and really researches every topic fully. She has done all extension tasks and has already completed two out of the three projects in just over a week. Fantastic work. Well done Kaitlyn!

Ellie Hall

Ellie has been nominated for the excellent completion of the additional English challenges. The design and presentation of all the set challenges was to the highest standard. Beautiful hand writing, neat and tidy. A pleasure to read. Well done Ellie!

The Principal's Book – Year 8

Madalina Zavadovschi

Madalina has been nominated by the Computing & ICT Department for her ICT project work. This is for always producing great work during this difficult time. Madalina has received a second nomination from the RS Department. This is for her excellent effort with her culture project. Finally, a third nomination from the Science Faculty is for her collaborative efforts with Teigan on the Bronze Crest Award from home, producing an outstanding investigation project and having come up with a way to make a zero-waste school lunch. Keep up the great work. Well done Madalina!

Teigan Parker

Teigan has been nominated by the Science Faculty. This nomination is for collaborative efforts with Madalina on the Bronze Crest Award from home, producing an outstanding investigation project and having come up with a way to make a zero-waste school lunch. Great work. Keep it up. Well done Teigan!

The Principal's Book – Year 8

Remy Matthews

Remy has been nominated by the Spanish Department. Remy did a beautiful rendition of a song as the challenge for one of her Spanish projects. She sang the song entirely in Spanish acapella - "amazing" - and sang it beautifully! Fantastic. Well done Remy!

Meryem Kocak

Meryem has been nominated for her excellent RS project. A presentation full of colour, detailed explanations on Turkey describing the culture, religion, language and so much more. Great work. Well done Meryem!

Megan Cantwell

Megan has been nominated by the Science Faculty. Megan's nomination is for her fantastic efforts on the Human Biology project. Great work. Well done Megan!

The Principal's Book – Year 8

Daniel Wade

Daniel has been nominated by the Music Department. He has completed some amazing music project work for his "Soundscape" project, with lots of detail. Daniel has put a great deal of thought and effort into his project. Keep it up. Well done Daniel!

Henry Atkinson

Henry has been nominated for his brilliant PSD project - "A day in my life during lockdown". An 8 slide PowerPoint presentation full of photos, colour, fun and the diary details of a day. Excellent work - very well done Henry!

The Principal's Book – Year 9

Meliha Redzhep

Meliha has been nominated by Food Technology for her excellent work. A great presentation, key content and her great pizza making skills. Meliha has received a second nomination from ICT for outstanding work. She always produces excellent work to a very high standard. Finally, a third nomination is from the Science Faculty for her excellent climate change Chemistry project work. Fantastic work. Well done Meliha!

Ruby Gunes

Ruby has been nominated by the Dance Department. This nomination is to recognise all her detailed "Into the Hoods" Dance project work. Great work. Well done Ruby!

Aimee Jordan

Aimee has been nominated by the RS Department for completing such fabulous work whilst working from home. In particular, for her creative identity symbol using baking skills for her RS project. Great work – keep it up. Well done Aimee!

The Principal's Book – Year 9

William Albury

William has been nominated for his PSD work. He has been highly active in this subject and in addition has shared his exercise activities. Great work and effort. Well done William!

Jaiden Allen

Jaiden has been nominated for his RS project. Jaiden chose his own culture to research, producing an excellent piece of work detailing great facts about St. Lucia. Keep up the great work. Well done Jaiden!

Emilia Obarowska

Emilia has been nominated by the RS Department. This nomination is for her production of a detailed and creative identity symbol in RS. Hard work and great effort. Well done Emilia!

Tayden Field

Tayden has been nominated by the RS Department for producing a creative identity symbol and picking the challenge to research about the Huli tribe. Keep up the good work. Well done Tayden!

The Principal's Book – Year 10

Luis Anthony

Luis has been nominated by the Enterprise Faculty. This is for his outstanding efforts in all tasks that have been set, showing true dedication and effort. Keep up the good work. Well done Luis!

Rebecca Fletcher

Rebecca has been nominated by the English Faculty. Rebecca has produced some fantastic responses to GCSE questions based on "A Christmas Carol". She has researched independently to build on existing knowledge and responded to targets to help improve her work each week. Very impressive. Well done Rebecca!

The Principal's Book – Year 10

Stephanie Pearce

Stephanie Pearce has been nominated by the Science Faculty. Firstly, for her exceptional Chemistry project on nanotechnology. She has been working extremely hard and producing outstanding work. She has been very proactive in attending revision sessions on Microsoft Teams twice a week and going even further with her independent learning. She is pushing herself into the A-Level material and demonstrates resilience in her studies. Well done Stephanie!

Rosie Dunford

Rosie has been nominated by the Dance Department. This nomination is for Rosie's detailed mood board on the Stimulus "Stay at home" for her dance choreography. Great work. Well done Rosie!
