Dear Parent/Carer

Just Talk Social Media Young People's Survey and Just Talk Parents Survey/Mental Well-Being

Listed below are two links to a new survey that Public Health Hertfordshire have developed that we are asking students and parents to complete. The information gathered from this survey will help Public Health Herts to further shape the Just Talk Social Media outreach for the summer and next academic year, and in turn help to raise awareness of the important messages around how Young People can access information and support in Hertfordshire.

Young Peoples survey:

Furthermore, with mental well-being in mind, I have also attached our 'Wellbeing Signposting Guide for Young People', which is a comprehensive resource that may support you and your families during the summer school closure.

We wish you and your families a safe and restful summer break and look forward to welcoming our students back to school in September.

Yours faithfully

Mrs M Goodes
