4th August 2020

Dear Families

This is the first of my three planned updates throughout the summer holidays.

I hope you are well and have been able to enjoy the summer sunshine whilst continuing to follow the current government guidance to control the transmission of COVID-19.

Current guidance can be seen from the two hyperlinks below, which includes updated information about self-isolating at home for at least 10 days from when your symptoms started and arrange to have a test to see if you have COVID-19. All other household members must stay at home and not leave the house for 14 days. If anyone else in the household starts displaying symptoms, they must stay at home for at least 10 days from when their symptoms appear, regardless of what day they are on in the original 14-day isolation period.

Updated Home-School agreement for September

Thank you to families who have already completed and returned our updated Home-School agreement. It sets out the ways in which we can fully support our students and minimise risk to students and staff during the ongoing COVID-19 situation. More details are in the attached letter from Mrs Goodes, Vice Principal.

A Level and Level 3 vocational Results Day – Thursday 13th August

Mrs Shivalkar, Assistant Principal & Head of Sixth Form will be in further contact with sixth formers expecting exam results to provide more details about arrangements. The day has been organised to ensure that we can maintain social distancing in line with government guidance. Results cannot be released until 8.00am on Thursday 13th August. Please also note that it will not be possible for sixth formers or parents to park on the school site if coming to collect results (further details are below).

Restricted access to the school site throughout August

Please note that our contractors are on site undertaking enabling works in preparation for the construction of our new building. The works include enlarging the exit gate so that large vehicles can come on site and supplying utilities to the building site for the new building.

Between now and 14th August:

All entrance and exit to the site is via the entrance gate

Please DRIVE VERY SLOWLY (5 mph) as vision is limited for those exiting the site and the gate is narrow

There is no parking available in the car park at the front of the school

Arrangements for September's full re-opening to all students

The school site is being prepared for our full re-opening in September. I will provide more detailed updates in my next two letters on Thursday 13th August and Tuesday 25th August. The details in my letter from 16th July give information about the start dates for the new academic year, and also the new timings of the day for different year groups. That letter can be accessed here:

Stay safe over the coming weeks.

Yours faithfully

Robin Newman
Principal
