

	<u>Character Y9</u>	<u>Devising Y9</u>	<u>Y9 Performance</u>
Working well above standard	I can make creative decisions on where I stand on stage in relation to relationships with others and confidently perform dialogue as my character and include a mini monologue. I can show my characters emotion through my facial expression, body language, tone of voice, movement and hand gestures. I am also able to use accents whilst always staying in role for all of the performance.	I can use complex drama techniques fluidly within my performance to help tell my story and educate my audience. I have chosen the staging to use which will include audience involvement, as well as directing some scenes techniques. I have also incorporated all of devising elements that enhance my performance. I am facing the audience for all of the performance. I am consistently creating an effective atmosphere.	I can decide on where I stand on stage in relation to relationships with others and say dialogue as my character and include an effective monologue. I can express well thought out character emotions through developed character features. I can use complex drama techniques fluidly within my performance to help tell my story and highlight key moments within a story. I have chosen the staging to use which will include audience involvement, as well as directing many scenes techniques. I am constantly creating a desired atmosphere to intrigue the audience.
