Please find below the link to the Virtual Key to Success presentation for Year 13.

This will be an opportunity to find out important information from your son/daughter's Head of Year about how we can all support them throughout the year. We will also be giving information about specific questions you may have about their education.

Additionally, please find enclosed your "Parent Access Code" for Class Charts which will allow you to view homework & cover work that is set for your son/daughter and to track their behaviour, attendance and achievements throughout the year.

Thank you in advance for taking the time to view the recording and please do not hesitate to contact me if you have any questions.

Yours faithfully

Miss A. Goody
