Dear Parent/Carer

In order to ensure a smooth transition back to school for all students in September we have planned for a phased return for different year groups. This will inevitably mean that some students will have to work remotely from home using resources provided by their classroom teacher. **This will only be for the first week of the school term and all students will be expected to attend school every day, from Wednesday 9th September.**

Teachers will be using Class Charts to set student work and students should follow their usual timetable for the remote learning days. Each child will be sign-posted to a link onto Class Charts to a pre-recorded session which will also include a follow up activity. Students will be expected to upload evidence onto Class Charts to show that they have completed the remote learning follow up task. Completion of the work set and uploaded onto Class Charts will be recorded and monitored for attendance purposes. All students are expected to complete and upload either completed work or a photograph showing evidence of the work produced.

Year 9 and 10 have been set Pre-academic home learning for Monday 7th September. This will be set on Class Charts and uploaded where possible on the same day. There are three tasks to choose from; Current Affairs, COVID 19 or Physical Activity.

If your child has any issues with accessing work on Class Charts, they should inform their form tutor during the form time sessions on their first day back into school.

The safety and well-being of our students is our most important priority and we thank you for your support in helping us to deliver remote learning during the first week of the school term.

If you do have any questions regarding our remote learning provision then please do feel free to contact me on newmand@haileyburyturnford.com.

Yours faithfully
Miss D Newman
Assistant Principal
