Ambition · Pride · Success

## A few words from Mr Newman

As we reach October half-term I would like to thank all families, students and staff for working together so effectively over the past 7 weeks since we fully re-opened. Our school community has been such a positive place to be, and our students have adapted very well to their new arrangements to ensure they can learn safely and effectively which is so important for their life chances, mental and physical health. I am very grateful to the whole staff team for their work to enable this to happen for your children.

This half-term we have received national recognition from The Safeguarding Alliance and Pivotal Education for our work with students, and we have witnessed the start of the work on our new building which will be ready for our students next September. We are hoping for this to be featured in the local press next week – keep your eyes on the Hertfordshire Mercury!

A focus in the past two weeks has been on celebrating and promoting equality, diversity and inclusion. We are determined that no one in our school community feels marginalised or discriminated against and we are clear that we will not accept discrimination of any kind. During Black History Month, our work led by sixth form students, has created a programme of learning activities for students in all year groups, including assemblies. Our Wear Red Day today has also provided our community with the opportunity to support Show Racism the Red Card, the UK's largest anti-racism educational charity. We wish to do all we can to promote social justice and ensure our students are able to play their part in creating a better, fairer society for us all.

### And finally ...

We say farewell to two colleagues today who are both re-locating to other parts of the country. Mrs Monck has provided support to our students as a link worker whilst working at the school over the past 2½ years, and Mrs Bisceglia has worked with us since Easter as a Spanish teacher in Modern Foreign Languages. I will welcome our new staff after half-term.

Stay safe, and have a good half-term break.

"Education is the most powerful weapon which you can use to change the world." – Nelson Mandela

## HT SCHOOL LOTTERY

We would like to take this opportunity to say

to all those supporters who generously donated their winnings over the last year.

## NOTICES FROM PE

**Wet Weather** - Due to current COVID-19 regulations PE lessons will be taking place outside, unless the weather is deemed to be unsafe. Therefore, it is very likely that we will be outside in cold and rainy conditions. Please ensure that you are prepared for this by packing a waterproof/warm coat and additional layers in your PE kit bag. All additional layers must be plain black, with the exception of coats. There will be alternative arrangements made in more extreme weather.

**Injury or Illness** - Please be aware of our new 'note' policy. We are now unable to accept any written notes excusing you from your PE lesson. Parents must now send an email to the relevant PE teacher, by 8.50am on the day of the PE lesson. The email must include the following: Name and form, an explanation of the reason for being excused and an expected date of return to participation. Any issue lasting longer than 2 weeks will require a doctor's note. Please refrain from ringing or emailing Year Achievement Coordinators or Reception Staff.

The work has started on our new building
