

# Haileybury Turnford

Ambition · Pride · Success

7<sup>th</sup> October 2020

Dear Parent/Carer

It is with great pride that I write about 3 very significant achievements for our HT community.

## **National recognition from the Safeguarding Alliance**

We have been awarded with The Safeguarding Initiative Award in recognition of the exceptional safeguarding initiatives taken during COVID-19 to keep our children and young people safe. During such challenging times, to have recognition of the support, care and safeguarding practices we have put in place for our community is wonderful and gives external validation about the quality of the school's work.

## **Gold Award from Pivotal Education**

Following an accreditation visit last week, I can announce that Pivotal Education has awarded us with our Gold Award. This is a significant achievement from an organisation who work with schools all over the country. The Gold Pivotal Behaviour Plaque gives external verification of effective behaviour management within our school and demonstrates we have successfully created a positive culture within our school to ensure all students can focus on their learning.

## **£4,000 raised for The National Brain Appeal**

Following our fundraising over the past two years as a school community, we reached an amazing total of £4,000 to present to The National Brain Appeal. In normal times, our students would have presented this cheque to The National Brain Appeal in school. Due to COVID-19 the charity has not been able to visit us. It was lovely to receive a thank you message from The National Brain Appeal this week which we have shared on our Twitter feed [https://twitter.com/Hailey\\_Turnford](https://twitter.com/Hailey_Turnford)

Our building work is well underway too, and despite the current COVID-19 challenges affecting us all, our school community has re-connected incredibly effectively this half-term, and we are very positive about what lies ahead.

Yours faithfully
