8th October 2020

Hello Year 10,

I hope you and your families are well and keeping safe in this challenging time.

Now you are in Year 10 your GCSE courses are well underway. I am impressed with the focus and dedication you have to your subjects. Continue to stay focused through the next half term and don't forget to sanitize!

Take care and stay safe

Going back to school in year 10.

Since lockdown ended school has been very different for all of us. For example, last year the atmosphere was very calm and not as strict with certain things. However, this year we have to use sanitizer (it smells very bad but we know it is keeping us safe). The positives of this year have been that the year group has gotten closer and friendships have strengthened since we are always together. Also, we are less tired as we don't have to move as much since we are all in the same block. The negatives are that before we had freedom and longer lunch and break, but now it feels like we are inside all of the time and stuck in the same classroom which can be boring. But overall it is a big difference that the opinions probably vary from person to person.

A message from Miss Gibbins – Assistant Year Achievement Coordinator for Year 10

Hello Year 10,

So lovely to finally be back after a long time away from Haileybury Turnford. Most of you know me from being an English teacher or Cover throughout the years at Haileybury Turnford. I was delighted when I was informed that I was going to be your Assistant Year Achievement Coordinator. I am so pleased at how well you have all adapted to the changes around the school. You have behaved in a mature manner around your zone and have helped each other through this big change. I couldn't be prouder!

I hope you all have a lovely half term, make sure you rest and enjoy your time off. Thank you for welcoming me into Year 10 and I am excited for the next half of this term together.

Miss C Gibbins
