Press Release 12th October 2020

National recognition for Haileybury Turnford

Haileybury Turnford is delighted to announce two awards it has received this month.

The Safeguarding Initiative Award was awarded in recognition of the exceptional safeguarding initiatives taken during the COVID-19 pandemic to keep its children and young people safe. Robin Newman, Principal, commented “during such challenging times for all communities, to have recognition of the support, care and safeguarding practices we have put in place for our community is wonderful and gives external validation about the quality of the school’s work.”

Haileybury Turnford has also been awarded the **Gold Award from Pivotal Education** following a recent accreditation visit. This is a significant achievement from an organisation which works with schools all over the country. The Gold Pivotal Behaviour Plaque gives external verification of the Cheshunt school’s very effective approach to its work with students. “We have very successfully created a positive culture within the school to ensure all students are able to enjoy school, focus on their learning and make good progress across the curriculum; we were delighted to receive this recognition from Pivotal Education.”, added Robin Newman.
