National SMSC Quality Mark Verification Award – Gold Level Award for Haileybury Turnford

8th December 2020

Dear Parent/Carer

We are delighted to share the great news that Haileybury Turnford has been awarded the Gold level of the national, Spiritual, Moral, Social, Cultural Quality Mark from Young Citizens – the highest award that is available. We place SMSC at the centre of our curriculum which actively aims to promote positive character traits, kindness, respect, truthfulness, courage and generosity.

We are, therefore, very proud of our whole school community in achieving this award for personal development.

The Assessor noted in her report that it is evident that there are numerous SMSC related strengths at Haileybury Turnford including the school's significant focus on mental health and wellbeing. The charitable community fundraising work was highlighted as a clear indicator of the school's commitment to act as a community hub, setting the example to students of the importance of kindness, volunteering and giving.

We are very pleased to be able to share this good news with our students and parents and will continue to work hard to provide opportunities to support and develop the spiritual, moral, social and cultural development of students to help prepare them for the experiences, opportunities and responsibilities of their later life.

Yours faithfully

Mrs M Goodes
Vice Principal
