Apprenticeship Virtual Careers Fair

It's really important that students keep their early careers learning on track, despite the current limitations. I just wanted to get in touch to make sure you were aware of Springpod's upcoming virtual careers fair.

The virtual careers fair will take place on 27th January. Join the hundred of other students to get the opportunity to learn from companies such as HSBC, Network Rail, EY and Cancer Research UK

Some of the companies are providing talks and interacting with students are also due to run Virtual Work Experience Programmes in the coming months or are already accepting applications. This means that, not only will students be able to learn about potential apprenticeships at each company, but also find out about current programmes and insight days that they can get involved with from home!

BT offer apprenticeships in a wide range of career paths – apply today!

BT apprenticeship applications are now live. They have been voted the UK's best private sector apprentice employer, so when it comes to apprenticeships and being a great place to start your career, they know what they are talking about.

They offer apprenticeships from Level 2 through to Level 6, meaning they have something for everyone. Perhaps you want to get into customer service – they have an apprenticeship for that.

Now, we can tell you how amazing it is to be an apprentice at BT all we like, but it might be best if you hear it from their apprentices themselves. Why not [check out what Hannah has to say](#) about being an apprentice? [Or Muhammad?](#) And there is always their social channels on [Facebook](#), [Twitter](#) and [Instagram](#). You could also listen to what more of their Early Careers employees have to say on the [BT Early Careers Podcast on Spotify](#). Go to [our website](#) and you can find a whole host of information about the roles they offer, as well as some hints and tips to get through the application process.

Message from YCH Advisers

The Personal Advisers from YCH Services for Young People (formerly Youth Connexions), Claire Johnstone, Luisa Grandine and Gina Georgiou will continue to be available remotely by video technology via Microsoft Teams (or telephone/email) throughout this term to support Key Stage 4 & 5 students and to give advice and guidance on careers and future employment or study.

All Year 11 students will have a Careers interview and those students who have not already had an interview will be sent an invitation via their school email to a Teams meeting. They are able to come out of lessons to attend this meeting. The students are all sent an Action Plan and the Plan will also be saved to their Unifrog account.

If you have any questions or queries relating to careers please contact the careers leader Kate Ward on wardk@haileyburyturnford.com
