Haileybury Turnford receives a Gold Level Award for Spiritual, Moral, Social and Cultural Development.

Haileybury Turnford has been awarded the Gold level of the national, Spiritual, Moral, Social, Cultural Quality Mark from Young Citizens – the highest award available. Haileybury Turnford places SMSC at the centre of our curriculum which actively aims to promote positive character traits, kindness, respect, truthfulness, courage and generosity. Maxine Goodes, Vice Principal and Lead for SMSC, commented ‘We are very proud of our whole school community in achieving this award for personal development. This award highlights the school’s strength in developing students’ personal development.’

The Assessor noted in her report and feedback that it is evident that there are numerous SMSC-related strengths at Haileybury Turnford including the school’s significant focus on mental health and wellbeing. The charitable community fundraising work which raised over £7,500 was highlighted as a clear indicator of the school’s commitment to act as a community hub, setting the example to students of the importance of kindness, volunteering and giving.

Robin Newman, Principal at Haileybury Turnford, commented, “We are very pleased to be able to share this good news and will continue to work hard to provide opportunities to support and develop the spiritual, moral, social and cultural development of students to help prepare them for the experiences, opportunities and responsibilities of their later life”.
