Dear Parent/Carer

RE: GCSE POD Subscription

I am delighted to announce that Haileybury Turnford has recently invested in GCSEPod, the award-winning digital content and revision provider used by over 1,250 schools worldwide. This software will be used across a range of subjects at Haileybury Turnford both in online provision and regularly when we return to school.

As a subscriber, your child now has access to GCSEPod's library of over 6,000 'Pods,' 3-5 minute videos designed to deliver knowledge in short bursts. GCSEPod makes learning and revision much more manageable: every Pod is mapped to an exam board, and contains all the right facts, quotes, keywords, dates and annotated diagrams that your child needs for GCSE success – all neatly organised into topics and exam playlists.

One of the best things about GCSEPod is that you can download any Pod to your child's mobile device, and then they can watch them at any time, in any place, with or without internet. It's like they're carrying a whole set of textbooks in their pocket! Make sure you download the GCSEPod app from the App Store (Apple and Android are supported) to access this feature.

GCSEPod also has the ability to identify knowledge gaps and automatically send playlists to help fill them. After completing any homework set on GCSEPod, your child will get a personalised "Boost Playlist" of Pods relevant to their identified areas of weakness. We strongly suggest you encourage your child to review these playlists regularly as this will speed up their progress.

For more ways to support your child using GCSEPod, please visit where you'll find lots more information and resources.

Your child has already been registered with GCSEPod, so all they need to do is activate their account by following the instructions below. If your child has already activated but can't remember their username and password, please ask them to contact a member of staff.

- 1) Go to [www.gcsepod.com](http://www.gcsepod.com) and click "Login" in the top right-hand corner
- 2) Click sign in with Office 365 (Using the school login credentials.)
- 3) Create a **username**, **password**, and a **password hint** to help them remember the password.

If you have any questions regarding GCSEPod please contact Mr Williams (Director of Science) by email at [williamss@haileyburyturnford.com](mailto:williamss@haileyburyturnford.com)

Yours faithfully

Mr S Williams  
Director of Science
