Dear Parent/Carer

Summer Examinations Information Event – Wednesday 10th February: 5.00pm

We are writing to invite you to our online Information Event for Year 11 and Year 13 families on Wednesday 10th February at 5.00pm. Mr Newman, Mr Walsh and both of us will be available during the session which will take place on Microsoft Teams and a link for joining the meeting is below.

We know that the uncertainty about vocational, GCSE, AS and A-Level examinations in the summer is causing anxiety and concern and the purpose of the meeting is to update and reassure you as best we can.

As you will be aware, the government and Ofqual's examinations consultation closed on Friday last week. We must now wait for information about the details for this summer. It is not certain when detailed guidance will be published by the government, but we very much hope more clarity will start to emerge soon to ensure we can best support our students.

However, in the meantime, our message to our students is that the best thing that you can do is to continue attending and engaging in all remote lessons and complete the work set to the best of their ability.

In addition to this Information Event, in order to discuss your child's progress during remote learning in recent weeks, we will also be holding Parents' Evenings for both year groups via our online system on the dates below (booking details and additional information will follow separately in due course):

Year 13 – Wednesday 24th February

Year 11 – Wednesday 3rd March

We look forward to as many of you as possible joining us for next Wednesday's Summer Examinations Information Event.

Yours faithfully

Mr E Macaulay
Assistant Principal

Mrs N Shivalkar
