Dear Parent/Carer

## Anti-Bullying Ambassador Training

Eighteen, Year 7 and Year 8 students took part in an online Anti-Bullying training session organised by the Diana Award on Friday 29<sup>th</sup> January supported by Mrs Carter (Assistant Year Achievement Coordinator for Y8).

The Diana Award is a national organisation supporting schools by engaging students, teachers and parents to change the attitudes, behaviour and culture of bullying by building skills and confidence to address different situations, both online and offline.

The online training delivered by a trained Anti-Bullying Ambassador encouraged students to think about some of the pressures that young people are facing today, how people act differently on social media than they do off line and whether friendships online are genuine.

As part of the training session students were introduced to different types of bullying behaviour and the impact this can have. This training session gave students an introduction showing how they can support other students and continue to promote an Anti-Bullying school culture. The above students who took part in this training will have an opportunity to complete further online and in person training to become our next Anti-Bullying Ambassadors and champions for our school.

If you would like further information and advice on how you can support your child the link below provided gives advice, guidance and support to parents and carers:

Yours faithfully
