WORLD BOOK DAY

Changing lives through a love of books and shared reading.

SPONSORED BY
NATIONAL BOOK tokens

World Book Day changes lives through a love of books and shared reading. Their mission is to promote reading for pleasure, offering every child and young person the opportunity to have a book of their own. Reading for pleasure is the single biggest indicator of a child's future success – more than their family circumstances, their parents' educational background or their income. We want to see more children, particularly those from disadvantaged backgrounds, with a life-long habit of reading for pleasure and the improved life chances this brings them.

This year is the 24th year there's been a World Book Day, and on 4th March 2021, children of all ages will come together to share the joy of reading for pleasure.

Spending just 10 minutes a day reading and sharing stories with children can make a crucial difference to their future success and it's fun for all involved.

That's why World Book Day continues to encourage children and young people to read for pleasure through its work with authors, illustrators, publishers, bookshops and libraries.

WORLD BOOK DAY ... LET'S REVIEW

Mrs Harris would like all you budding reporters, journalists, actors, writers and authors to record a 3 minute book review. It does not have to focus on fictional novels, it could be your favourite biography, auto biography, magazine, newspaper, poetry, encyclopedia - the list goes on ...

All you need to do is record yourself discussing your favourite book. Make sure you cover the following points:

- Title
- Author
- Recommended age group
- Brief description of what the book is about – no spoilers ☹
- Why you would recommend the book

All the best recommendations will be included in the weekly literacy bulletins during morning briefing.

Please send your video clips to Mrs Harris at:
harrisk@haileyburyturnford.com
