

Dear Students, Families and Colleagues,

This week Year 9 & 10 students sit their mocks, with Year 12 exams starting on July 5<sup>th</sup>. This is likely to spark thinking about what this means and how this impacts our futures. It is important to prepare well for our internal assessments, as it gives you a good idea of what you are currently working at. It also allows teachers to plan their lessons to support you. Being successful in our exams is only one part of getting the career you want, you must have experiences to talk about, you should be well read around the area you are interested in pursuing and have hobbies and interests.

I am hoping that this Careers Bulletin can give you some insight into different careers, as well as give you some experiences to support boost your CV, regardless of your age.

As always, please feel free to contact me. [Macaulaye@haileyburyturnford.com](mailto:Macaulaye@haileyburyturnford.com) 01992 308 333 ext: 311

Yours faithfully,

Mr E. Macaulay

## CAREERS IN PERFORMING ARTS

THURSDAY 24<sup>th</sup> June 2021 (4pm)

This webinar will explore the range of different careers required within Performing Arts. We have four panellists representing [Momentum Performing Arts Academy](#) which is based near Watford.

**Ben Darmanin** is a theatre producer and consultant whose career on and off stage spans more than 25 years. He trained at the Margaret Howard Theatre College (MHTC) and the Royal Academy of Music, graduating with an MA in musical theatre in 2007. He was made an Associate of the Royal Academy of Music (ARAM) in 2016. Ben currently splits his time between the UK and NYC working as an Associate Producer to the award - winning choreographer and director Andy Blankenbuehler (Cats, Dirty Dancing, Hamilton).

We will also be joined by a: **West End Performer, Dance Psychologist & Agent**

With the summer holidays fast approaching, aspiring healthcare students can now arrange their medical summer work experience before all the spaces fill up.

We have increased the number of spaces on our Ward Round Live course so as many students as possible can get some amazing work experience this summer. They will be able to speak to patients, learn from NHS Doctors, experience a wide range of medical cases and make a head start on their university applications on our Ward Round Live course this summer.

The next available date is: 15th July 2021

What is the UCAT?

The UCAT is a mandatory admissions test for the majority of UK medical and dental schools. It is used within the admissions process to help select the most suitable applicants for these challenging courses.

Students sit the test during the summer before they submit their UCAS application in October.

Which Universities require the UCAT?

31 UK universities now require applicants to sit the UCAT as part of their mandatory admissions process - a full list can be found on our website. UCAT scores are then considered alongside academic grades and other relevant entry requirements.

## SPRINGBOARD

Discover your new favourite topic with Oxford's Springboard videos, bringing you cutting-edge research from Oxford's graduate students sharing their research, from climate change and colonialism to microbiomes and mathematical logic. Browse the wide range of topics on [the link](#) – we hope they'll be the first step in your own exploration of academic ideas outside the classroom.

These videos are intended for school students in Years 11, 12 and 13. Each offers an introduction to a new topic, plus lots of activities and further resources to explore. When you click on a topic, we'll ask you a few questions and then play the video you've chosen. Find out more about activities and resources for [students](#), [teachers](#) and [families](#) from [Oxford for East England](#).

Subject-specific super-curricular resources for students in a range of subjects: archaeology, biology, chemistry, computer science, economics, engineering, geography, history, law, medicine, music, philosophy, politics, psychology and more.
