## Haileybury Turnford wins Nominee Certificate for the 2021 Award for Making a Difference - Secondary School of the Year.

We were delighted to achieve a Nominee Certificate for this award, in recognition of the quality of the school's work during the past year. Thank you to all students, staff and families for the work you do each day to support our school community.

## Haileybury Turnford teacher wins Silver Award in The Award for Outstanding New Teacher of the Year

**Congratulations to Miss Jethmalani who received the Pearson National Teaching Silver Award as schools across the country celebrate Thank a Teacher Day to highlight families' gratitude to school staff.**

Selected from thousands of nominations, Miss Jethmalani has been honoured as one of 102 Pearson National Teaching Silver Award winners across the country. Miss Jethmalani was honoured with a Silver Award in The Award for Outstanding New Teacher of the Year for their outstanding commitment to changing the lives of the children they work with every day.

Miss Jethmalani has made an extraordinary impact as a newly qualified Teacher, taking every challenge in her stride and making a big impact on learners, colleagues, and the wider school community. She devotes a huge amount of time to improving her practice, consistently checking student progress to ensure they are benefitting and always adapting her teaching to suit the class.

Miss Jethmalani has now been shortlisted to win one of just 15 Gold Awards later in the year, in a programme which will be broadcast on the BBC. This is a great opportunity to celebrate the exceptional school staff who have worked wonders during an incredibly challenging time for educators across the country.

The Silver Award winners are being honoured as part of the wider celebrations for 'Thank a Teacher Day' this week, a national campaign to honour and recognise school staff for their incredible work. The celebrations follow new data which shows how the previous year's lockdowns have significantly changed how families across the country view the role of teachers. There are more photographs of our celebrations inside HT News.

## Congratulations to our students who were nominated for:

### Principal's Award - June

**Year 7** Hannah Lowin  
**Year 8** Henry Shilton  
Jessica Albury  
Natasha Thompson  
**Year 9** Alfie Marchant  
Vince Mistretta  
**Year 10** Nazir Charalambous  
Eren Goztas  
Eleanor How  
**Year 12** Archie Lincoln

### Principal's Book – June

#### Year 7

George Blunt

#### Year 9

Alfie Marchant  
Vincenzo Mistretta

## Year 7 scientists visit Haileybury

Some of our Year 7 scientists, **Sophie Jhurry, Dylan Verrier, Grace Bliss, George Reeves, Hana Forster, Emmanuel Anning, Emily Banguram, Ethan Duffus and Freddie Gilchrist**, visited Haileybury for the Steam Project from Monday 7<sup>th</sup> June to Friday 11<sup>th</sup> June. This is a summary from our students:

### The Girls

We went to Haileybury College to do a science project. Our group was given the topic of acid rain. On the first day it felt wonderful to be working in a science lab, but it took a bit of getting used to. We worked well as a team and we did a lot of experimenting on seeds, rocks and even flowers. We have come a long way since the beginning of the week. It was a great experience and we all worked hard and enjoyed ourselves.

### The Boys

Our topic was putting in the fizz into carbonated drinks. We did many experiments to find the best way to make carbon dioxide and how to get it into apple juice to make it fizzy. The people were very nice to us and we had a lot of help from the teachers and some of the older Haileybury students. The school is much bigger than Haileybury Turnford. We really enjoyed the week.

## National Literary Trust Competition

HT entered a National Literary Trust competition to win for a free ticket to see Marcus Rashford's interview and receive a free copy of his book by completing a brief reason as to why our school should win – and ... **WE WON.**

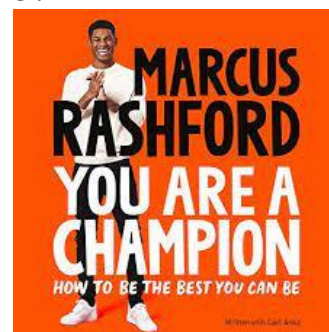

Marcus Rashford MBE is famous worldwide for his skills both on and off the pitch – but before he was a Manchester United and England footballer, and long before he started his inspiring campaign to end child food poverty, he was just an average kid from Wythenshawe, South Manchester. Now the nation's favourite footballer wants to show YOU how to achieve your dreams, in this positive and inspiring guide for life.

Written with journalist Carl Anka, *You Are a Champion* is packed full of stories from Marcus' own life, brilliant advice and top-tips from performance psychologist Katie Warriner. It will show you how to be the very BEST that you can be.

It shows students how to:

Be comfortable with who you are – you can't be a champion until you're happy being you!

- Dream big
- Practise like a champion
- Get out of your comfort zone and learn from your mistakes
- Navigate adversity in a positive way
- Find your team
- Use your voice and stand up for others
- Never stop learning

This is what our students have to say:

“Marcus Rashford's advice encouraged me to work harder in life and to be a student, brother and friend. He said you're only in competition with yourself, that made me think my only opponent is myself. To be a champion you have to have control over your life. Because Marcus Rashford encouraged me so much I have decided to be better and read more” **Year 7 student.**

“The Marcus Rashford interview about his new book was very interesting but there was one quote that stood out and that was “Your only in a race with yourself” Furthermore I have ordered the new book and I'm hoping I will enjoy it” **Tyler George, Year 7.**

From the Marcus Rashford quotes my favourite one was how you are always in a race/competition with just yourself and how your brain is a sponge which absorbs everything you learn over time” **Rocky Gyoury, Year 7**

“The key to getting to where you want to be is to believe in yourself and try to be the best you can” **Year 7 student.**

In the Marcus Rashford interview, I learnt that being a champion is being in control and not comparing yourself to others but instead competing with yourself. Furthermore, reading is beneficial because it helps us to mature. **Kaitlyn Mungaroo, Year 8.**

A copy of the Marcus Rashford book can be found in our Library.

## Year 8 Food Club

Here are some pictures from our Year 8 Food Club showing their amazing creations.

## Photos celebrating Miss Jethmalani's Pearson National Teaching Silver Award and Thank a Teacher Day

The Award for  
OUTSTANDING NEW  
TEACHER OF THE YEAR

SILVER AWARD

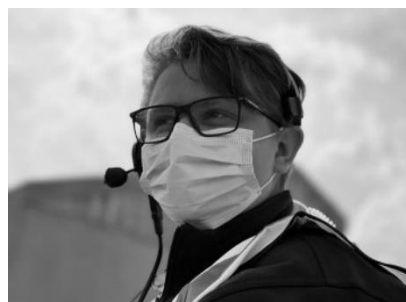

## Windrush Day 2021

On 22nd June 1948 hundreds of people from the Caribbean arrived at Tilbury Docks on the SS Empire Windrush and brought with them an explosion of dance, art, writing, music and faith that transformed British culture. We were delighted to welcome guest speaker Patsy Spears, Chair of Society of Caribbean's and Africans (SOCA) on Friday 25<sup>th</sup> June to speak to some of our Year 9 and 10 students about Windrush.

## Ex-HT student working on the Mission impossible 7 set

One of our alumni, **Maisy Hurst**, can be seen here, pictured on the Instagram page of the Director/Writer of Mission Impossible 7.

## Staff News

This week we welcomed our new Assistant Year Achievement Coordinator, Miss Robinson. Welcome to HT!

## Year 9 students perform in assemblies

Two of our Year 9 instrumental students, **Vincenzo Mistretta** and **Alfie Marchant**, gave fantastic performances in assemblies this week.

Many students take part in instrumental lessons at Haileybury Turnford.

Instrumental lessons are available in guitar, piano/keyboard, drums and voice.

Please visit:

<https://www.hertsmusicservice.org.uk/music-lessons-in-hertfordshire/music-lessons.aspx>  
to register for lessons. If you have any questions, please contact Mrs Nicholson by email:  
[nicholsons@haileyburyturnford.com](mailto:nicholsons@haileyburyturnford.com)

## Herts Fire & Rescue are looking for new cadets

Herts Fire & Rescue are recruiting new fire cadets to join our scheme. It is a nationally recognised educational programme open to young people aged 14 to 17 and supports them to make a positive contribution to society.

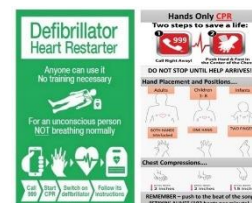

This programme provides an opportunity to learn about, engage with and experience the Fire & Rescue service and enables young people to gain skills and knowledge in a fun, safe and secure environment.

For more information please contact the Herts Fire & Rescue service: Coral Jobson - Contact No 07823 551978

## CPR in PE

In PE lessons this week, Year 7, 8 and 9 students were learning the importance of CPR and how to perform it on a casualty. All students have displayed fantastic focus and engagement throughout their lesson and have each been provided with a pocket guide to help remind them of what to do in an emergency. Well done to all!

## Year 8 Mural for Cancer Support Charity

Year 8 have been selected to design and create a mural that will be displayed in a new garden of The Hummingbird Cancer Support and Therapy Centre in Oxfordshire. We have received some wonderful designs and are exciting about the mural starting next week!

### MURAL CLUB – Year 8 ONLY!

Join us on **Wednesday LUNCH**  
and Friday **AFTER SCHOOL 3-4pm**

If you would like to come reply to Mrs Megaw on the Class Charts advert ☺

Come and help us transform an outside space into a memory garden for a cancer charity.

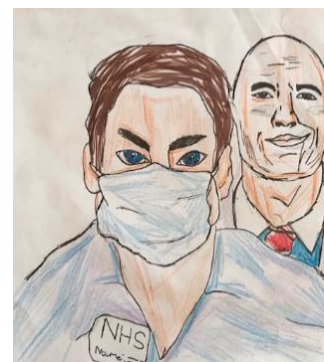

## Diversity Week

This week we have been taking part in School Diversity Week which is celebrated across the UK. We have focused on making our school a safer, happier and more welcoming for students in our school who may be LGBT+ or have LGBT+ families supported through the learning in our Personal and Social Development curriculum, Tutor time and through holding assemblies. On Friday 25<sup>th</sup> June our Student Leadership Team supported and organised a bake sale to raise money for a school charity 'Just Like Us'. All of our proceeds from the cake sale will support the charity to combat homophobia in schools across the UK. The students have also organised to sell ribbon pin badges in the colour of the Pride Rainbow flag to show how we are an inclusive community.

## Heroes Stamp Competition 2021

Students in KS3 were given the opportunity in form time to enter a national competition to design a stamp that will actually be produced in the UK to recognise and thank a hero of the Covid-19 pandemic. The two entries below were sent off with all the other entries from HT. We eagerly await to hear if any of our entries have made it to the final stages of the competition.

## Courtesy and Kindness Week 28<sup>th</sup> June – 2<sup>nd</sup> July

As part of Courtesy and Kindness Week, HT are launching an EXTRA Achievement Point category for students that are being **KIND** around school and in the wider community. Every student in Year 7-10 will be given a challenge during form time (in their virtual assembly) so look out for your child being extra helpful at home! Please do email [Megawl@haileyburyturnford.com](mailto:Megawl@haileyburyturnford.com) if you feel your child has been extra kind at home as they will receive a Kindness Point for their efforts.

Additionally, if collectively there are over 300 Kindness Points awarded, students will have a chance of being selected at random to win ...

£10 Amazon voucher  
and  
£10 to donate to a charity on their behalf

The National  
Brain Appeal

## Target Oxbridge & Trinity College Cambridge Year 10 Programme

We are happy to announce that we have launched a new programme for Year 10 students in partnership with Target Oxbridge. Target Oxbridge is a programme that aims to help Black African and Caribbean students and students of mixed race with Black African and Caribbean heritage increase their chances of getting into the Universities of Oxford or Cambridge (known collectively as Oxbridge). Since launching in 2012, Target Oxbridge has helped over 200 students to secure Oxbridge offers.

Students have been invited to attend four monthly webinars between April and July. These webinars will provide the chance to hear from current Black students at Cambridge and to ask questions about their experiences. The team at Trinity College, Cambridge will also provide information on what admissions tutors are looking for in applicants, and how students can make the right A Level choices to improve their chances of securing a place on their preferred Cambridge courses. The webinars will also provide advice and insights into how degree subject choice impacts career options, as well as the chance to take part in a mini lecture run by an academic.

## Mental Health Awareness Week 2021

Emma Levinson, founder of Cake Before Therapy and Integrative Therapist has answered your questions ...

### 1. **How do you cope when your brain tells you that people are only praising you just to humour you and you are not actually talented?**

In this case I would say to look for the evidence. Who is telling you, you are talented? What would they gain from praising you if they didn't mean it? What evidence is there that they are not telling the truth? Finally, don't take feedback from someone you wouldn't go to for advice, listen to those you trust (teachers, parents etc).

### 2. **How do I help someone?**

It may sound simple but let them know you are there whenever they want to talk, or hang out. You could say that you have noticed they are acting differently so you wondered if everything was ok. Don't pressure them to talk if they are not ready, but if they know you are there they can come to you when they are. The important thing is to let the person know they are not alone and you are there for them.

### 3. **What should I do if I want help but am too scared to ask?**

- When you're feeling down, don't struggle on your own. There is lots of help and support available – you just have to reach out to get it, but it can be scary.
- Decide who the best person and who you would feel most comfortable talking to? Many of us prefer talking to family or friends, but you may prefer to talk to professionals (these include teachers, helplines, online discussion forums or a GP or therapist).
- Pick a time and place. Choose a time and somewhere you feel comfortable, so you can talk uninterrupted.
- Decide what outcome you want? Do you just want to be listened to? Would you like more practical or emotional support? It's okay if you don't know, but it helps to think about what you would like to achieve.
- It can be helpful to make notes so you remember to include them in your conversation. Or you could let the other person read your notes if talking is difficult.
- Explain how you feel and what support you would like. They will have a better idea of how to try and help you.

### 4. **What are the best things to do for wellbeing/to make me feel good?**

- Getting a good night's sleep
- Keep a healthy and balanced diet
- Spend time outside (sunlight is proven to help with mood and wellbeing)
- Find a hobby or activity that gives you joy and you can relax doing.
- Exercise daily - even if it's just a 10-minute walk
- Spend time with other people
- Live in the present - don't spend time dwelling on the past or worrying about the future
- Most importantly laugh and enjoy yourself, try not to take everything too seriously!

## Parent/Carer Survey May 2021 (taken from 27 responses)

		% Strongly Agree/Agree
1	It has been a positive return to school since 8 <sup>th</sup> March for my child.	96%
2	My child is happy at school	85%
3	The school makes sure students are well behaved	78%
4	My child has experienced bullying at school	Yes 7% No 93%
5	Did the school deal with any bullying incident quickly and effectively	83%
6	The school makes me aware of what my child will learn during the year	85%
7	The school has high expectations of my child	89%
8	Your child has special educational needs and/or disabilities	28%
9	My child has SEND, and the school gives them the support they need to succeed	75% 6 out of 8 responses
10	My child does well at school	89%
11	There is a good range of subjects available to my child at school	93%
12	The school supports my child's wider personal development	89%
13	The school has kept me well informed through the COVID-19 pandemic	89%
14	The school has made appropriate adjustments to how it operates and supports students throughout the academic year	93%
15	My child has a suitable IT device (e.g. laptop) to study effectively at home	96%
16	I would recommend Haileybury Turnford to other parents	96%

### Further comments:

"My child is really looking forward to re-starting trips and enrichment activities once restrictions allow. My child was fortunate to have trips in Year 7 and early in Year 8, so is excited at the prospect of future trips, to support his new options."

"We have really valued the continued communication to parents, to ensure we are well informed of new plans and changes to procedures. This really helped with preparing my child for home learning in lockdown and the returning back to school. Positive feedback from teachers has also helped to keep my child focused on their learning throughout."

"The dedication of staff and the support they have given over the last 12 months even though it must have been very stressful for them."

"Good online provision during the second lockdown. Regular positive feedback via phone calls."

"Regular communication from the school, especially the phone calls to say how well they are doing. A good relationship with the SEN Department."

### COVID-19 Home Self Testing

Please click on the link below for a video on home testing

<https://www.youtube.com/watch?v=S9XR8RZxKNo&list=PLvaBZskxS7tzQYIVg7lwH5uxAD9UrSzGJ>

### COVID-19 Home Testing for Families

In addition to home testing for all students, you can order lateral flow test kits to test your household, childcare bubble or support bubble.

A test kit contains 7 tests. You can order one test kit per household each day from the government website below:

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

**Please report any positive cases as soon as possible.**
