Ambition · Pride · Success

5th July 2021

Dear Parent/Carer

We are really looking forward to welcoming your child into our school community in September, and building strong relationships with you to help with your child's future development and love of learning.

As you are aware, during the week of the 23rd – 27th August 2021, we will be running our Transition Summer School. The Summer School is open to our new Year 7 intake, and while there will be other students from our current Years 7 & 8 attending their own Summer Schools, these will be separate and students will not mix across these bubbles. The Summer School is free of charge.

This is a fantastic opportunity for your child to participate in many activities, that help them form positive relationships. They will also develop self-esteem, confidence, communication and social skills. The activities will include: fun science, including an opportunity to go inside a pop-up planetarium to study the solar system; maths and English sessions, enterprise activities, fitness and well-being activities, alongside team building games and, on the final day, games and competitions using a giant assault course, laser quest area and lots of other games.

This will be a fantastic opportunity for your child to work alongside the rest of their new year group and meet some of the staff, ahead of starting school in September. Lunch will be provided on all days, but it will be useful for students to bring a bottle of water on each day.

Students will need to be dropped off at the school by 9.00am each morning and the day will end at 2.00pm. Students will need to bring normal school equipment for the sessions. We also advise that students bring a waterproof, suntan lotion and a hat.

Enclosed is a medical form which must be completed and returned to Haileybury Turnford either by hand, marked for the attention of Mrs R Davey, or be email sent to daveyr@haileyburyturnford.com. This must be returned prior to the start of the holidays to ensure that all food intolerances and allergies can be taken into consideration.

If you would like more information, or have any questions or concerns, please contact me directly on newmand@haileyburyturnford.com.

Yours faithfully

Miss D Newman
Assistant Principal
