

## **HAILEYBURY TURNFORD**

### **THE 16 to 19 TUITION FUND 2021 TO 2022 ACADEMIC YEAR**

The 16-19 tuition fund is one-off funding for the 2021/22 academic year to mitigate the disruption to learning arising from COVID-19. Our share of this funding is £8494.

We also carried forward £925.40 from 2020-21 due to disruption during the academic year due to the pandemic. This will be spent during 2021-22.

In line with Government guidance we have prioritised the following groups of 16-19-year old students for support from the fund:

- Students who have not achieved a grade 4 in either GCSE maths or English
- Students with SEND (special educational needs and disabilities)
- Students classified as disadvantaged
- Students who have achieved a grade 4 but also would benefit from catch up support due to disrupted learning
- Students who require support for their current Level 3 studies, where learning has been disrupted.

We will use the fund as follows:

- Purchasing bespoke resources for the targeted students and use these to support their learning
- Running additional small group classes or one-to-one sessions for these students during the school day.
