Raising achievement in all areas of education for Children Looked After at Haileybury Turnford. The following is a summary of impact of the CLA PP+ funding for 2020-21:

- Significantly improved attendance, behaviour, achievement and engagement demonstrated and evidenced by data.
- Significant improvement in progress in most subjects, where progress was not as expected action has been taken and as a result, progress is now working towards being above the national standard in this subject.
- Behavioural screening demonstrates positive progress and improvement in emotional symptoms, conduct problems, inattention and prosocial behaviour.

*An amount of £582.98 will be carried forward for 2021-22 and will be used to target specific interventions to support academic progress and raising achievement in all areas for CLA. The expenditure was limited due to COVID-19 related issues.
